LIST OF PUBLICATIONS BASED ON THIS WORK

JOURNALS

2. "Reduction of Exhaust emission using incylinder catalyst in Diesel Engine" Paper communicated to Journal of Institution of Engineers (India) and awaiting for acceptance.

INTERNATIONAL CONFERENCES

5. "Control of air pollution due to Exhaust of diesel engines", Proceedings of Sixth International Symposium on Advances in Electrochemical Science and Technology, held at Chennai, pp 34-38, Nov. '99.

6. "Simultaneous reduction of NOx and smoke level in small engines", Proceedings of 4th International Conference on Small Engines, held at Universiti Teknologi, Johor Bahru, Malaysia, pp 22-25, April 1999.
7. “Control of exhaust emission using incylinder catalyst in diesel Engines”
   proceedings of 14th National Conference on Catalysis, held at Anna
   University, Chennai, pp 246, Dec. 98.

8. “Reduction of NOx emission from DI diesel engine using bimetal catalyst
   coated piston”, Proceedings of 16th National Conference on I.C. Engines

9. “Emission control by using metal catalyst coated Alumina balls in a DI
   Diesel Engine”, Proceedings of 16th National Conference on I.C. Engines

10. “Control of Environmental pollution due to exhaust emission of diesel
     engines,” Proceedings of National Seminar on Energy and Environment
     for Sustainable Development, Sri Venkateswara University, held at

11. “Control of Environmental pollution due to exhaust emission of diesel
     engines using double metal catalysts,” Paper communicated for
     presentation in the National Conference On Advanced Trends in
     Mechanical Engineering Research and Development, to be held at
     Jawaharlal Nehru Technological University, Anantapur, on 22 & 23,
