LIST OF TABLES

1.1: Groups of Villages in the Selected C.D.Block 19
2.1: Land use pattern in Behali C.D.Block 31
2.2: Literacy status of Behali C.D.Block 31
2.3: Social Composition of Behali C.D.Block 33
2.4: Occupational pattern of Behali C.D.Block 34
2.5: Land use pattern of Chenga C.D.Block 37
2.6: Literacy status of Chenga C.D.Block 39
2.7: Social Compositions of Chenga C.D.Block 41
2.8: Occupational pattern of Chenga C.D.Block 41
2.9: Land use pattern of Kachugaon C.D.Block 46
2.10: Literacy status of Kachugaon C.D.Block 47
2.11: Social Compositions of Kachugaon C.D.Block 47
2.12: Occupational pattern of Kachugaon C.D.Block 49
2.13: Land use pattern of Mayong C.D.Block 54
2.14: Literacy status of Mayong C.D.Block 55
2.15: Social Compositions of Mayong C.D.Block 55
2.16: Occupational pattern of Mayong C.D.Block 57
2.17: Socio-economic profile of the sample villages in the selected Blocks 59
3.1: Education For All Development Index for Primary Education in the districts of Assam, 2007-08 73
3.2: Education For All Development Index in the identified Social Groups dominated villages of the selected districts of Assam 74
4.1: Boy-Girl Enrolment Ratio of Grade I in the Sample Villages of selected Blocks 93
4.2: Boy-Girl Enrolment Ratio of Grade II in the Sample Villages of selected Blocks 93
4.3: Boy-Girl Enrolment Ratio of Grade III in the Sample Villages of selected Blocks 95
4.4: Boy-Girl Enrollment Ratio of Grade IV in the Sample Villages of selected Blocks 95
4.5: Annual growth rate of enrollment in the Sample Villages and Selected C.D.Block
4.6: Survival Rate in the Sample villages of the Selected C.D. Blocks
4.7: Gender wise Survival rate in the Sample villages of the Selected C.D. Blocks
4.8: Mean Enrolment in the sample villages of the Behali C.D.Block
4.9: Enrolment variations in the sample villages of Behali C.D.Block
4.10: Mean Enrolment in the sample villages of the Chenga C.D.Block
4.11: Enrolment Variations in the sample villages of Chenga C.D.Block
4.12: Mean Enrolment in the sample villages of the Kachugaon C.D.Block
4.13: Enrolment Variations in the sample villages of the Kachugaon Block
4.14: Mean Enrolment in the sample villages of the Mayong C.D.Block
4.15: Enrolment Variations in the sample villages of Mayong C.D.Block
5.1: Test Score of Grade II in the Sample Villages of Behali C.D.Block
5.2: Test score of Grade IV in the Sample Villages of Behali C.D. Block
5.3: Test Score of Grade II in the Sample Villages: Chenga
5.4: Test score of Grade IV in the Sample Villages: Chenga
5.5: Test score of Grade II in the Sample Villages of Kachugaon C.D.Block
5.6: Test score of Grade IV in the Sample Villages of Kachugaon C.D Block
5.7: Test score of Grade II in the Sample Villages of Mayong C.D Block
5.8: Test scores of Grade IV in the Sample Villages of Mayong C.D Block
5.9: Variations of Grade II Numerical knowledge score
5.10: Variations of Grade II Language Knowledge score
5.11: Variations of Grade IV Mathematics score
5.12: Variations of Grade IV Language Knowledge score
5.13: Variations of Grade II Numerical knowledge score between the Blocks
5.14: Variation of Grade IV Mathematics score between the Blocks
5.15: Variations of Grade II Language Knowledge score between the Blocks
5.16: Variations of Grade IV Language Knowledge score between the Blocks
5.17: Multiple Comparisons of variations in score of different subjects
6.1: School Status of the sample schools of selected Villages.
6.2: Availability of Infrastructural facilities in the sample schools of the selected village
6.3: Availability of Teaching - Learning Materials in the sample Schools of the selected villages
6.4: Health and Hygiene Facilities in the sample schools of the selected villages
6.5: Availability of Co-curricular Facilities in the sample schools of sample villages 154
6.6: Correlations of Grade II Test Performance with School Environment 155
6.7: Correlations of Grade IV Test Performance with School Environment 155
6.8: Correlations of Survival Rate with School Environment 156
6.9: Teachers’ status in the sample schools of the sample villages 157
6.10: Professional Training Programs of the teachers in the sample schools 158
6.11: Organizations Providing Professional Training Programmes in the sample schools 159
6.12: Teacher’s Performance in the classroom as perceived by Students in the Sample schools 162
6.13: Examination related information as responded by students in the sample school 163
6.14: A Perspective on Homework Assignment in the sample villages 164
6.15: Correlations of Grade II Test Performance with Teachers’ Status and Performance 166
6.16: Correlations of Grade IV Test Performance with Teachers’ Status and Performance 167
6.17: Correlations of Survival Rate with Teachers’ Status and Performance 168
6.18: Language spoken at home and medium of instruction in the sample villages 169
6.19: Reasons behind the irregular attendance in the school of the sample households 170
6.20: Help in study availed at home in the sample villages 171
6.21: Assets available at home in the sample households of the study area 173
6.22: Parental Education and Monthly Income in the Sample Households 175
6.23: Correlations between Grade II Test Performance with Students’ home environment 176
6.24: Correlations between Grade IV Test Performance with Students’ home environment 177
6.25: Correlations of Survival Rate with Students’ Home Environment 178
