1. Nature of rain fall in Andhra Pradesh
2. Distribution of rain fall in Nellore district (1984-85)
3. Normals of temperature and relative humidity
4. Mean wind speed in Kilometres per hour
5. Special weather phenomena
6. (a) Soil types and their physical and physico-chemical properties
     (b) Soils and their chemical properties
7. Land utilisation in the study area in Hectares (1968-69)
8. Fauna of the study area
9. Flora of the study area
11. Scheduled tribes in Nellore district
12. Distribution of Yanadi population districtwise in Andhra Pradesh
     and its comparison with the caste and with other tribal populations
13. Distribution of Yanadi population districtwise in Andhra Pradesh
     and its comparison with the general population
14. Sitewise and culturewise shaped and simple artefacts
15. Loci and types of Lower Palaeolithic shaped artefacts
16. Loci and types of Lower Palaeolithic simple artefacts
17. Loci and shapewise distribution of Lower Palaeolithic handaxes
18. Shapewise distribution of cleavers
19. Sitewise distribution of sub-types of choppers
20. Lociwise and typewise distribution of choppers
21. Frequency of length for Lower Palaeolithic shaped artefacts
22. Frequencies and percentages of main classes of Lower Palaeolithic
     shaped tools in the adjoining sites
23. Loci and types of Middle Palaeolithic shaped artefacts
24. Loci and types of Middle Palaeolithic simple artefacts
25. Frequency and percentages of side scraper varients
26. Frequency distribution of length for Middle Palaeolithic artefacts
27. Frequency and percentages of main classes of Middle Palaeolithic shaped tools in the adjoining sites
28. Loci and types of Upper Palaeolithic shaped artefacts
29. Loci and type distribution of Upper Palaeolithic simple artefacts
30. Frequency distribution of Upper Palaeolithic side scraper varients
31. Frequency distribution of burin varients
32. Frequency distribution of length for Upper Palaeolithic artefacts
33. Loci and typewise distribution of Mesolithic shaped artefacts
34. Loci and typewise distribution of Mesolithic simple artefacts
35. Frequency distribution of length for Mesolithic artefacts
36. Layer and types of artefacts from Locus IV. 5-Excavated data
37. Rate of increase in population of Yanadi (1921-1981)
38. Settlement coverage in the Yanadi villages
39. Occupation categories and families involved
40. Occurrence of tool types of Yanadi families
41. List of leafy vegetables
42. List of vegetables other than leaves
43. List of plants used for pickles and preservatives
44. List of edible fruits/seeds/nuts/flowers/endosperm
45. List of plants used as pot-herb in times of scarcity
46. List of small game animals
47. List of big game animals
48. Fishing appliances
