LIST OF FIGURES

1. Diagramatic representation of stratigraphy at Locus I. 1
2. Diagramatic representation of stratigraphy at Locus I. 4
3. Diagramatic representation of stratigraphy at Locus I. 5
4. Diagramatic representation of stratigraphy at Locus I. 7
5. Diagramatic representation of stratigraphy at Locus III. 3
6. Diagramatic representation of stratigraphy at Locus III. 4
7. Diagramatic representation of stratigraphy at Locus III. 6
8. Diagramatic representation of stratigraphy at Locus IV. 5
9. Diagramatic representation of stratigraphy at Locus IV. 6
10. Diagramatic representation of stratigraphy at the excavated site- IV. 5.
11. Lower Palaeolithic artefacts
12. Lower Palaeolithic artefacts
13. Lower Palaeolithic artefacts
14. Lower Palaeolithic artefacts
15. Lower Palaeolithic artefacts
16. Middle Palaeolithic artefacts
17. Middle Palaeolithic artefacts
18. Middle Palaeolithic artefacts
19. Middle Palaeolithic artefacts
20. Upper Palaeolithic artefacts
21. Upper Palaeolithic artefacts
22. Upper Palaeolithic artefacts
23. Mesolithic artefacts
24. Mesolithic artefacts
25. Comparative distribution of length of Lower, Middle, and Upper Palaeolithic and Mesolithic artefacts
26. Seasonal availability of leafy vegetables
27. Seasonal availability vegetables other than leaves
28. Seasonal availability of wild plants used as pickles and preservatives
29. Seasonal availability of edible fruits and other parts: seeds, nuts, flowers and endosperm of wild plants
30. Seasonal availability of bulbs, tubers, roots etc. of wild plants
31. Seasonal availability of plants used as pot-herb in times of scarcity
32. Rat catching by indirect method
33. Hunting by whirling net method
34. Hunting by bisadutta method
35. Fishing aids
36. Fishing by angling method
37. Fishing by cast-net method
38. Fishing by group method
39. Fishing by trap method
40. Fishing by stones and rocks spear-throw method
41. Fishing by punuguta
42. Fishing by catamarans/floats
43. Fishing by poisoning plants
44. Fowling by mist-netting
45. Fowling by snares (Vuchchulu)
46. Fowling by 'V' shaped bajra veins
47. Fowling by calls given by tamed bird
48. Insect gathering with the help of veluthuru chettu
