ACKNOWLEDGEMENT

I bow my head to the Almighty God, showing me inner peace, blessings and providing me the opportunity to step in the excellent world of science and guided me to accomplish the great task of research and without which I could never have overcome the hurdles and complete this endeavor successfully.

I wish to record my sincere innate respect, appreciation and gratitude to my supervisor Dr. (Mrs.) Anita Yadav, Associate Professor, Department of Biotechnology, Kurukshetra University, Kurukshetra for her undivided dedication, guidance, wholehearted support, constant encouragement and advice. I am extremely indebted to her for being meticulous throughout investigation. I feel golden opportunity and proud privilege to work under the talented and inspiring guidance, imperative and facile suggestion, untiring supervision, persistent encouragement, unending zeal, conspicuous ability.

I am grateful to the Vice Chancellor and Registrar, Kurukshetra University, Kurukshetra for providing me all necessary amenities for the smooth running and successful completion of my doctoral program. I am also grateful to the Dean, Faculty of Life Sciences, Prof. Girish Chopra for his kind interest and cooperation. I wish to extend my sincere thanks to Dr. Jitender Sharma, Chairman, Department of Biotechnology, Kurukshetra University, Kurukshetra for his kind cooperation, instructions and encouragement.

It is great privilege for me to express my esteem and profound sense of gratitude to faculties from Kurukshetra University- Dr. R. P. Mandhan, Dr. J.K. Shrama, Dr. Ritu Mahajan, Dr. Raman Saini, Dr. Sunita Dalal (Department of Biotechnology), Dr. Ranjan Gupta (Department of Biochemistry) and Dr. Neeraj Aggarwal (Department of Microbiology) for their encouragement and support during the study.

I fall short of words to offer my thanks to all my friends, lab mates and colleagues Dr. Shiv Kumar Giri, Dr. Anil Kumar Majoka, Mr. Sachin Gulati, Ms. Kanupriya, Ms. Neha, Ms. Surbhi, Dr. Avtar Singh, Dr. Ankita and Ms. Nisha Sharma for spending memorable times together and for their timely help during this work. I am also thankful to Dr. Lalit Gambhir (Department of Biochemistry) for his support during the study. I am also highly grateful to all the blood donors. The help extended by non-teaching staff during the entire span of study is also duly acknowledged.
The financial assistance provided by the Department of Biotechnology (DBT), India, in the form of fellowship is gratefully acknowledged.

One cannot forget the strength and support one gets from the family. With gratitude and reverence, I acknowledge and admire the unbounded love, constant inspiration and moral support bestowed on me by my father Sh. Nirmal Singh, mother Smt. Saroj Rani and brothers Mr. Dayaram, Mr. Virbhan and Mr. Arvind Kumar. Without them, the present effort would have remained an unrealized dream and mere thanks would not suffice for it.

Thanking each and every person soliciting their good wishes for my future.
