ACKNOWLEDGEMENT

The successful completion of this research work prompts me to acknowledge the help, unbounded support, constant inspiration and guidance of all those who become instrumental in bringing it to its present form. It is my cherished privilege and honor to express my deep sense of indebtedness to my esteemed supervisor and guide, Prof. Samir J. Patel Head of Department of Psychology, S.P University who proved to be beacon Guide to me. I offer my heartiest gratitude for his constant inspiration, sympathetic attitude, critical comments, concrete suggestions, untiring pains and keen interest throughout the tenure of present investigation.

A special mention needs to be made about My teacher Dr. Satish Prakash shukla, My Father Dr. R.N.Thakur, My Husband Abhjeet Dhanoki, My sister Sheetal R.Thakur, My sister in law Gayatri Thakur and my friend Alpesh and Sheba who took keen interest and rendered his help for getting all data collection and calculating the data work meticulously and in due time. Their motivation, inspiration and suggestion boosting me for achieve the desire goal.

I thankful to all those who helped and supported me directly or indirectly during my research work.

Finally, I am always grateful to Almighty God who inspires me and instills in me the strength as well as ability to accomplish my work.
