akarmani.

To action alone hast thou a right and never at all to its fruits; let not the fruits of action be thy motive; neither let there be in thee any attachment to inaction.

The Bhagavadgita 2:47   English translation by Dr. S. Radhakrishnan

“There is a little doubt that the technical resources and managerial talents of organized industry have a function in society and obligation to the community, much wider than the mere discharge of their primary business function.”

-J.R.D Tata
