ACKNOWLEDGEMENTS

It is a pleasure and privilege to express a deep sense of gratitude to my guide Dr. Miss N.L. Pandya of M.B. Patel College of Education, Vallabh Vidyanagar not only for her continuous intellectual inspiration and encouraging guidance but also for her affection and support. The manner in which she treated me during the course of my investigation was exemplary and beyond the description of words.

I also express my indebtedness to Dr. N.N. Patel who has helped me a lot in preparing a research design and suggested different yet appropriate statistical techniques to test various hypotheses included in this report.

I am also thankful to the Principal, staff members and Librarian of M.B. Patel College of Education, Vallabh Vidyanagar.

I am also very much grateful to Dr. Ratibhai Patel, who continuously helped me in the present study.

I am also grateful to the principals, teachers and students of secondary schools and higher secondary schools of Kutch District of Gujarat State who responded willingly to the instruments used in this investigation. I wish to
express my appreciation for the principals who threw open their schools for getting important information regarding pupils.

I am thankful to all my friends and colleagues for their valuable help and good wishes.

I also thank Mr. Jasvant C. Christian who helped me in typing neatly and accurately.
