ACKNOWLEDGMENT

It was a highly intellectually stimulating experience for me to have worked under Dr. V.P. Sharma, Ex. Professor and Head, School of Studies in Psychology, Pt. Ravishankar Shukla University, Raipur (M.P.). His genuine interest and constant guidance during the preparation of my thesis, went a long way in inspiring me to put forth my best. I am extremely grateful to him for all the help that he extended to me for the last three years.

I express my profound gratefulness to Prof. R.L. Kashyap, Ex-Vice-Chancellor, Pt. Ravishankar Shukla University, Raipur (M.P.) and Dr. D.K. Marothia, Professor and Head, Department of Natural Resource Economics, Indira Gandhi Agriculture University, Raipur (M.P.) whose personal involvement, genuine help and encouragement always provide me solace during the critical periods. I am extremely thankful to them for their exceptional assistance in various ways.

My heartfelt thanks are to Dr. P.N. Sharma, Professor and Head, Department of Extension Education, I.G.K.V., Raipur for his kind help and various courtesies extended during the course of this work.
I am equally thankful to Shri B.B.S. Kushuwaha, A.P.O., Dharsewa Block, Shri S.K. Bhattacharya, Professor, English Department, Shri J.P. Bisen, Shri K.K. Shrivastava, Dr. M.L. Sharma Department of Extension Education and Dr. V.K. Koshta Department of Entomology, I.G.K.V., Raipur and others who have directly or indirectly helped me during my study in various ways.

I shall fail in my duty of extending my grateful thanks to the farmers of the sample villages as well as to all those Govt. and Non-Govt. Officials who have helped me in making available all the relevant information in time. I am really grateful to them for their active cooperation.

My deepest gratitude, of course, is to my parents, wife Shyama and other relatives for their sacrifices and filial affection and encouragement. They have always beacon of light to me in all my undertaking.

I am indebted to Shri Guhan Lal Sahu for typing the manuscript of this thesis in time.
