

LIST OF PUBLICATIONS

International Journals

1. **Suresh, J.** and Angeline Prabhavathy, R. “Behaviour of Steel Fibre Reinforced Concrete Beams with Duct Openings Strengthened by Steel Plates”, International Journals of Advanced Information Science and Technology (IJAIST), August 2014, Volume 28, No. 28, pp. 141-149.
2. **Suresh, J.** and Angeline Prabhavathy, R. “Behaviour of Reinforced Concrete Beams with Duct Openings Strengthened by Steel Plates”, European Journal of Scientific Research, August 2013, Volume 110 No. 1, pp. 141-149.

National Conferences

1. **Suresh, J.**, Girish Kumar A and Angeline Prabhavathy, R. “Behaviour of Reinforced Concrete Beams with Openings Strengthened with Steel Plates”, Proceedings of the National Conference on Technological Advances in Civil Engineering, TACE 2011 at B.S.Abdur Rahman University, May 3rd & 4th 2011.
2. **Suresh, J.**, Gokul, M. and Angeline Prabhavathy, R. “Experimental Study of Steel Fiber Reinforced Concrete Beams with Duct Openings”, Proceedings of the National Conference on Technological Advances in Civil Engineering, TACE 2011 at B.S.Abdur Rahman University, May 3rd & 4th 2011.
3. **Suresh, J.**, Karuppaih, PL. and Angeline Prabhavathy, R. “Experimental Study on RCC Beams with Duct Openings Strengthened Using Diagonal Bars”, Proceeding of National Conference on Sustainable and Emerging Technologies in Civil Engineering – SETCE-2012 at B.S.Abdur Rahman University, May 3rd & 4th 2012.
