ACKNOWLEDGEMENT

I am highly thankful to express deepest gratitude to Dr. Vijay Kumar Tiwari, Head, Deptt. of Geography C.M.D P.G College, Bilaspur (C.G) for his constant active encouragement guidance and advice who gives me a lot of constritive suggestions and information from time to time throughout the preparation of the thesis.

I am also thankful to Principal, Dr. P.C. Dwivedi C.M.D P.G College, Bilaspur (C.G) and Asstt.Prof. in Geography Dr. P.L Chandrakar and all stuff and the health officer Shree Dr. O. Sharma of Nagar Nigam Bilaspur (C.G) and all the Ward Parsad of Bilaspur Municipal Corporation who have helped me to collect information to prepare for this Thesis in the city survey work about Solid Waste Management. I am thankful to all the geoscientists whose works have been directly or indirectly utilized in the present thesis.

I am grateful acknowledge the help rendered by my elder brothers Shree Ramkrishna Guria and Shree Rajkrishna Guria in preparing the Thesis, whose love and affection had always remained a constant source of inspiration to me. I must not forget to thank my mother Smt. Sandhyarani Guria for their sacrifice and support. The sweet and innocent smiles of my niece Madhumita, nephew Suvankar and Dipankar were quit stimulating and refreshing which gave me enormous strength to concentrate on this thesis. Constrictive criticism and suggestions for the future improvement of the thesis shall be appreciated.

Narendranath Guria
