ACKNOWLEDGEMENT

I would like to express my deep sense of indebtedness to my guide Dr. M. H. Muddebihal Professor, Department of Mathematics, Gulbarga University, Kalaburagi, whose guidance, encouragement and invaluable suggestions during the course of this research work helped me to complete this toughest task and increased me in knowledge of the subject. I wish to express my gratitude to Dr. J. C. Umavathi, Professor and Chairperson, Department of Mathematics, Gulbarga University, Kalaburagi, for giving me an opportunity to carry out this research work. I also express my gratitude to all the staff members of the Department of Mathematics, Gulbarga University, Kalaburagi, for their kind encouragement and much needed advice.

I wish to acknowledge with gratitude and indebtedness for the constant encouragement in all respects by our beloved President and members of Anjuman-e-Islam, Vijayapur. Also its my great pleasure and privilege to record my sincere words of gratitude to our Principal Prof. A. D. Navalgund for his timely help and encouragement throughout the research work.

I cannot forget my dearest cousin Dr. M. K. Rabinal, Professor, Dept. of Physics, Karnataka University, Dharwad who encouraged me and created research temper in me and continuously guided me, I thank him from the bottom of my heart.

I wish to express my gratitude to Prof. N. B. Naduvinman, Prof. Shabbeer Ahmed and Dr. S. S. Bhoosnurmath for their consistent support and guidance. I am pleased to thank Dr. Anil R. Sedamkar, Senior Lecturer, Govt. Polytechnic, Vijayapur for his continuous cooperation and assistance for my research work.

With equal sense of pleasure, I express my gratitude to my
colleagues Prof. A. M. Lingadahalli, Prof. K. A. Tamboli, Dr. Z. S. Qureshi, Prof. S. S. Peerzade, Prof. M. A. Gadyal, Dr. A. N. Chattarki, Prof. A. I. Mujawar, Dr. Abdussattar and J. M. Khateeb for their valuable guidance and cooperation during my research work. I also thank all the teaching and non teaching members of our college for their kind support during the research work.

Surely, my research work would not have been completed without the support of my family. I thank my wife Zaheeda and my children Md. Akhtar, Mariya and Saniya for their constant cooperation, encouragement and understanding throughout the course of my research work. I profusely thank my parents Janab Aminsab and Husainbi for their warm encouragement and support. Similarly, I express my heartfelt gratitude to my father-in-law Janab A. H. Attar and all my family members stood by me and supported me during these turbulent days of my research work. I am ever grateful to all of them.

Further, I express my sincere thanks to my colleagues, research colleagues and relatives for their help and support.

I also recall with a deep sense of emotion, the care, affection and cooperation shown by all my close friends. This care and affection had helped me through difficult times. I shall cherish my association with all these friends.

Last but not least, I am very much thankful to my spiritual guide Mufti Mohammad Yousufsaheb for his Dua and encouragement.
