ACKNOWLEDGEMENTS

It is an immense pleasure for me to express heartfelt gratitude to my Supervisor, Prof. Manabendra Dutta Choudhury, Professor, Department of Life Science and Bioinformatics, Assam University, Silchar, India and Co-Supervisor, Dr. Anupam Das Talukdar, Assistant Professor, Department of Life Science and Bioinformatics, Assam University, Silchar, India, for their constant guidance and unstinting support which enable to accomplish the research work successfully.

I convey my sincere gratitude to Prof. Somnath Dasgupta, Vice Chancellor of Assam University, Prof. Devasish kar, Dean, Har Gobind Khorana School of Life Science, Assam University and Prof. Sarbani Giri, Head of the Department, Department of Life Science and Bioinformatics, Assam University, Silchar, for supporting my endeavour wholeheartedly and providing all the facilities to carry out my work efficiently.

I am grateful to all the faculty members of Department of Life Science and Bioinformatics for their incessant support and valuable advice throughout the work. I also take this opportunity to thank the Laboratory and Office staffs of the Department for their service and assistance during the process.

I am very much gratified to University Grant Commission for providing financial assistance, Department of Biotechnology, Govt. of India for providing bioinformatics infrastructure facility and DeLCON for accessing literature.

I express my sincere gratitude to Prof. Ramesh Chandra Deka, Department of Chemical Science, Tezpur University, Prof. Satya Bhushan Paul, Department of Chemistry, Assam University, Silchar, Dr. Paritosh Mondol, Department of Chemistry, Assam University, Dr. Sudip Choudhury, Assistant Professor, Department of Chemistry, Assam University, Dr. Pankaj Chetia, Research Associate, Bioinformatics Centre,
Assam University and Miss Rasna Devi, Ph.D scholar, Department of Chemical Science, Tezpur University for their tremendous help during my research work.

My heartfelt thanks go to Department of Chemical Sciences, Tezpur University and Assam University Central Instrumentation Laboratory for providing facilities for Spectroscopic analyses of the isolated compounds.

I am thankful to all the Research scholars of Ethnobotany and Medicinal plants research laboratory, Department of Life Science and Bioinformatics, Assam University and all the research scholars from other laboratories of the department who have extended their cooperation during the progress of the research work. In particular, many thanks are due to Dr. Bibhas Rajkumar, Mr. Monjur Ahmed Laskar, Mr. Ramananda Ghosh Tarafdar, Mr. Prakash Roy Choudhury, Mr. Abhijit Mitra, Mr. Abhisek Choudhury, Mrs. Debarati Choudhury, Miss Sushmita Nath, Miss Parinita Neog and Mrs. Banani Das, each of who helped me in various ways.

My heartiest gratitude and regards to my family members, comprising my parents Mr. Jiten Saikia, Mrs. Sashi Prabha Saikia, my younger brother Mr. Sanjeev P. Saikia, my younger sister Miss Dipjyoti Saikia and all my relatives who were always there for me as a source of inspiration, greatest strength and moral support during those days till the completion of my work.

Last but not the least, I bow my head to the Almighty, who has blessed upon me the strength to accomplish the piece of task successfully.

Place: Silchar

Date: 16/05/2014
