5. Allana Institute of Management Studies, CST, Mumbai

Allana Institute of Management Studies was started by the organization Anjuman-I-Islam in the year 1999. Anjuman-I-Islam is the premier educational conglomerate and social organization of India, established in the year 1874, by a group of visionaries led by Justice Badruddin Tyabji. Anjuman has a distinguished record of dedication and perseverance for the cause of education. More than 100 Institutions are growing under the magnificent umbrella of Anjuman. It has outgrown the size of a University with more than lakh students on the roll of its various Institutions. Though it is India’s largest minority educational establishment, its doors are open to all faiths and religions. Anjuman in true sense has adopted secularism in its true form. It is a symbol national integration.

Anjuman is proud of its tradition and has always maintained high standards of education and dedicated service to humanity. Anjuman-I-Islam is the only institution in the state of Maharashtra which has been awarded the prestigious Maharashtra Govt.'s "State Award 2000" for excellence in educational & social activities.

Today Anjuman-I-Islam runs institutions dedicated to Engineering, Hotel Management, Business Management, Medical and Polytechnic. Right from pre primary to postgraduate education is offered under its umbrella.
This Institution has produced great stalwarts like Dilip Kumar, Barrister A.R.Antulay etc.

Anjuman-I-Islam believes in empowering the women in the society. It provides various facilities to girls to keep them abreast of modern times and to help them achieve their rightful place in the society. A college of Home Science and two polytechnic institutes have been set up especially for girls. Anjuman runs 3 orphanages – 2 for the girls and one for the boys. At the orphanages the girls are groomed with the best of education and when they are of marriageable age, Anjuman takes responsibility of finding suitable match for them. The entire expense for the girls at orphanage is borne by Anjuman. Sahara Unit of Anjuman looks after well being of distressed women (rehabilitation and health care).

Anjuman-I-Islam is galloping ahead rapidly by adding in more and more branches of education. A state of the art Technology Park is being established at New Panvel on 11 acres of land. It will encompass institutes Viz. College for Bio-Technology, Bioinformatics, Genetic engineering, pharmacy, engineering, architecture, nursing etc. The park will also provide hostel and residential facilities for students and faculty. Anjuman-I-Islam enjoys an enormous past, a debonair present and a splendid future.

Anjuman-I-Islam’s Allana Institute of Management Studies and Research runs MMS course in two shifts with an overall intake capacity of 120 students. It has a hostel facility for boys and girls in the campus, but is restricted to only 10, i.e. 5 for boys and 5 for girls. It is also a centre for Ph.D. Programs in Management Studies of University of Mumbai. It also has a
dynamic placement team working continually towards achieving 100% placements.

6. **Yadavrao Tasgaonkar Institute of Engineering and Technology**  
   Chandai, Tal. Karjat, Dist. Raigad

Yadavrao Tasgaonkar Institute of Engineering and Technology was started by Saraswati Education Society in the year 2003. Initially the trust started graduation courses in engineering. In the year 2007, the society started Post Graduate course Master in Management Studies (MMS). The institute is situated at Bhivpuri Road Railway Station, Village: Chandhai, Post: Nasrapur, Tal: Karjat, Dist: Raigad (M.S.).

The institute boasts of one of the best infrastructure among the Management Schools in Raigad District with spread over more than 125 acres comprising of classrooms, seminar halls, an excellent library, a state-of-the-art computer centre. The college is situated in the foot hills of Matheran, surround by Sahyadri mountains and right on the banks of Ulhas river with state-of-the-art modern facilities.

It has the intake capacity of 60 students with an separate hostel facility for boys and girls. Placement at Saraswati Education Society - Yadavrao Tasgaonkar Group of Institutes is perhaps the most vital and imperative function because an Institute at the end of the day is assessed on the basis of placement record. At Saraswati Education Society - Yadavrao Tasgaonkar Group of Institutes, the entire program, starting from the admissions process to the designing of curriculum with the choice of specialization is considered as the important role for final placements. A dedicated team of experienced staff
works with the student placement committee to achieve Executive and Summer placement.

The Centre for Career Development (C.C.D.) is a brand name for management placement. It is centrally operated for, Yadavrao Tasgaonkar School of Business Management, Yadavrao Tasgaonkar Institute of Engineering and Technology and Yadavrao Tasgaonkar Institute of Management Studies and Research. It plays an important role in shaping the careers of students starting from their induction, summer internships, right to their executive placements.

The placement cell has links with wide range of industries from where they invite luminaries for guest lectures, panel discussions and conferences. Also, we arrange fields visits to industrial establishments. This generates valuable synergy between the students and corporate organizations. Further, they also organize summer training programmes for their students. They have tie ups with a number of business houses and associations for campus interviews and interactive seminars. Apparently, these activities give great exposure of the students to the industry, eventually resulting in desired placements.

The Rajendra Mane College of Engineering & Technology (RMCET), at Ambav (Devrukh), Taluka Sangameshwar, District Ratnagiri has its own open and spacious campus stretching over an area of more than 46 acres of land. The college runs MMS course with an intake capacity of 60 students. The campus is
peaceful with beautiful surroundings and landscape. It has excellent infrastructure facilities with lecture halls and computer center. RMCET has a team of carefully selected and highly motivated teachers ready to give their best to the students. RMCET is fully developed residential campus, having 5 boys' hostels, 1 girl's hostel, staff quarter, 2 mess, canteen, gymnasium and playground. 24 hours Internet, phone facility, hot water supply, purified cold drinking water and DG power backup is available to all the inhabitants of the campus.

8. Dr. G.D. Pol Foundation YMT College of Management, Navi Mumbai.

The seven acre campus of YMT College of Management is located at Kharghar, Navi Mumbai. Established in a picturesque setting between the Kharghar hills and the Arabian Sea, the imposing edifice of the YMT College of Management is strategically located near the Bombay Poona Highway.

The 68,000 sq ft Management college, inaugurated by His Excellency, Shri S.C Jamir, Governor of Maharashtra, is an impressive, spacious state of art structure providing an enriching, refreshing and invigorating experience for the students as well as the faculty.

YMT College of Management supports the quest for knowledge which empowers an individual and helps one to accelerate one's own development. YMT College of Management provides the best of infrastructure facilities and faculty to hone the skills of the students and prepare them to face the challenges with courage, competence and commitment.
The class rooms are air conditioned and spaciously designed. Each class room is equipped with teaching aids like white boards, flip charts, LCD’s and OHP. The ergonomics is so designed so as to make learning more conducive and interactive.

The computer laboratory is equipped with ninety computers and powerful servers with 24 hour internet connection. The facility allows the students to access information across the world. Students are provided with laptops at concessional rates.

The main recruiters for the students are Naukri.com, Magus Consulting, Philips, Indiabulls, Foodland fresh, Subhiksha, Oracle, Greymac, SS Datapro, Zenith, Vista, Bhushan Steels, HDFC Bank, HSBC, Deepak Fertilizers, Insync Analytics, ISPAT, Chevrolet etc.

**Overall Observations:**

It is observed from the study that the profile of the Business Schools which are under Mumbai University have good and rich infrastructure with all the amenities like hostel facilities for the outstation students, placement facilities for the students after completion of their course etc. It can be observed that maximum business schools under Mumbai University are having MMS course with minimum of 60 students intake capacity.

While selecting the business schools for the study, the business schools from all the districts of Maharashtra state which come under Mumbai University jurisdiction were selected like Mumbai City, Mumbai Suburban, Thane, Ratnagiri and Raigad. It was found that there is no Business School in Sindhudurg district.
Pune is the main educational center of Maharashtra. Numerous students from every corner of India and the world come to Pune. The climate of Pune is pleasant and good. The city of Pune houses many well-known, established institutes and colleges. University of Pune is one of the finest and most popular educational centers in the city. It offers excellent programs in various areas including Science, Commerce, Arts, Languages and Management Studies.

University of Pune, one of the premier universities in India, is positioned in the North-western part of Pune city. It occupies an area of about 411 acres. It was established on 10th February, 1948 under the Poona University Act. The university houses 46 academic departments. It is popularly known as the 'Oxford of the East'. It has about 307 recognized research institutes and 612 affiliated colleges offering graduate and under-graduate courses.

The total number of business schools selected from Pune University was 15. The following Table No. 3.2 (i) shows the Names of the Business Schools within Pune University from various districts in jurisdiction.

The department has been exalted with number of courses, a competitive selection process of students, faculty strength and infrastructure.

In a very short period of time this programme has became the choice for aspiring and meritorious students across the Indian sub continent with its highly career-oriented programs.

Selection of students is based on valid CAT / MAT/ CET scores, full-time degree from a recognized University or Institution. Consistent academic scores and managerial work experience are considered as advantageous. Candidates short listed on these parameters are further scrutinized through Group Discussion / Personal Interviews. This process is carried out with the help of management practitioners.

The Department has an objective to enable budding professionals to internalize the body of knowledge in Business Management and emerge out with mastery integrated with social responsibility and ethical standards. While the MBA Program provides the students a rich blend of academic excellence, practical insight from industry and technology enabled infrastructure, MBA (International Business) grooms students with global standards in education that would prepare them to face cross cultural challenges around the world.

Campus interviews are conducted every year and students have been placed in some of the organizations like SBC Bank, HDFC, Mumbai, Axis Bank, ING Vysa Bank, India Infoline, Parle Agro-Mumbai, HDFC Housing Finance-Pune, Hindustan Coca-Cola Beverages, Birla Sun Life Insurance, Wochardt Hospital, Tata Motors, Kotak Securities, IPCA, YES Bank, Cholamandalam, Jet Airways-Mumbai etc.

2. Rayat Shikshan Sanstha’s Karmaveer Bhaurao Patil Institute of Management Studies And Research, Satara

Rayat Shikshan Sanstha is one of the leading educational institutions in Asia. The value of its contribution to education in general is enormously great as it has, from the very beginning, tried all its best to lay emphasis on the education of the downtrodden, the poor and the ignorant who really form the major bulk of society. The founder of the institution, late Padmabhushan Dr. Karmveer Bhourao Patil, was a man of the masses, who devoted all his mind and heart to the cause of their education. The Rayat Shikshan Sanstha made astounding progress in the field of education reflecting fully the ideals cherished by the founder. The word 'RAYAT' chosen by Karmaveer to name his Sanstha was significant indeed. 'Rayat' means masses and the educational institution named after it was to focus its attention on the welfare and happiness of the masses.

Karmaveer Bhaurao Patil Institute of Management Studies and Research, Satara (KBPIMSR) has been recently bifurcated from Dhanajayrao Gadgil College of Commerce, Satara where it was working as Department of Business Education and Research since 1971. In the beginning one-year Diploma in Business Management was started. A two-year full time course of MBA was introduced in 1984.

A well stocked library with up-to-date Books, Periodicals, Journals and Magazines catering to the literary needs of the student community and
encouraging the student's thirst and quest for knowledge is the prominent feature of the Institute. In fact, the library is considered to be the best in this part of Maharashtra, so far as width and depth of collection of books and journals is considered.

Hostel facility is provided for Girl Students only. The hostel is located in the premises of the Institute. The Hostel is having Capacity of 100 students approximately and various facilities are to cater to the needs of students

The Institute has its own separate Computer Lab with internet facility for making world wide information available on finger tips. The lab is well equipped with latest hardware technology coupled with the latest software titles and internet connectivity. The Lab houses Intel P-IV and Celeron PCs with internet facility. It also has good collection of audio-video cassettes, relating to Commerce & Management.

The Swami Ramanand Teerth Marathwada University was established at Nanded by bifurcating the Marathwada University, Aurangabad on 17th September 1994, the day on which in 1948 Hyderabad State was liberated from rule of the Nizam. Nanded is a district headquarters as well as a holy city situated on the banks of Godavari River in southeastern part of Maharashtra state. Nanded is directly approachable by road and train from Aurangabad (270 km) and Hyderabad (270 km), Nagpur (350 km), Mumbai (600 km) and Delhi (1700 km). Weekly three flights run between Mumbai and Nanded.

The University has been named after Swami Ramanand Teerth the Doyen of the Hyderabad Liberation Struggle and also a renowned educationalist and social activist. The University is to cater for southern part of Marathwada Region of Maharashtra State, specifically to the districts of Nanded, Latur, Parbhani and Hingoli.

The University Establishment Committee had visualized a region specific University with non conventional courses with a School system for Campus teaching to initiate and promote interdisciplinary and multidisciplinary studies. The university has redesigned its syllabi and courses in order to generate the human resource for the regional development. The courses are characterized by innovative ways in teaching, learning and evaluation with emphasis on the aspects of research, consultancy and extension services.

In the short time of operation the University has been granted recognition by the University Grants Commission (UGC), the apex educational
body of Government of India, under 2(f) in March 1995 and under 12 (B) in May 1998, before completion of five years. It has been re-accredited by NAAC in 2009 with B grade.

1. **Department of Business Administration & Management, Sant Gadge Baba Amravati University**, Amravati

The Department of Business Administration and Management, Sant Gadge Baba Amravati University was established in 1985. The department runs an MBA course with an intake of 60 students per year. The outstation students enrolling in this department for MBA course can avail the hostel facility. The department strongly believes that placement exercise is a joint effort together with students. The department works hard to place all those who are placeable in employment market. The department provides guidance to
students, organizes activities like workshops, seminars, discussions, interactions to sharpen them and establish network with potential employers.

Summer Internship Programme (SIP) is undertaken after the Second Semester of the programme for atleast 6 to 8 weeks. It equips the students with practical application skills relevant to various situations. It is an experience of classroom learning plus real life situations. It bridges the gap between the management in reality and management learnt in a classroom. It provides a platform to the students to work and develop a network useful to their career enhancement. It also creates awareness among students and provide better environment to apply the concepts learnt to real life. SIP provides due exposure to the students in relation to their formal classroom learning.

The department provides a facility of campus interviews. Students are placed through campus placements. Some of the recruiters are B.S Progressive Pvt. Ltd. Pune, Karvy Limited, Pune, Limagrain India Pvt. Ltd., Hyderabad, Aatash Seeds Ltd., Hyderabad and PIX Transmission, Nagpur.

SELECTED BUSINESS SCHOOLS WITHIN
RASHTRASANT TUKADOJI MAHARAJ NAGPUR UNIVERSITY

The Rashtrasant Tukadoji Maharaj Nagpur University, formerly known as Nagpur University was established on 4th August, 1923 with six affiliated colleges and 927 students. During 1947, the number of students increased to about 9000 accompanied by the improvement and diversification of curricula and expansion in the range of subjects. The expansion of library and sports facilities occurred during these years for the intellectual and physical well being of the students. It was in 1958 that some new Departments in Arts and Social Science faculties were opened; the major expansion, however, came in 1963 when several science and other teaching Departments were started. The Departments were shifted to spacious buildings in the main campus in 1972-73. In later years, several career oriented courses have been started viz., Business Management, Fine Arts, Mass Communication, Library Science, Physical Education, etc.

During seventy-eight years of its existence, the University has progressed satisfactorily and doing well in the midst of constraints of different sorts. This has been possible because of futuristic vision about higher education of the personalities who adored the chair of Vice-Chancellor of this University. Their determination and dedication helped a lot in progress of this University.

Presently University comprises of thirty-Seven Postgraduate Teaching Departments (PGTD), three Constituent Colleges/Institutions (Law college, Laxminarayan Institute of Technology, and College of Education). Four
hundred Thirty Nine colleges are affiliated. The Department and conducted college/Institution buildings are spread over in 7 campuses with an overall area of 327 acres. Following programs under various faculties are run through the above-mentioned PGTD, Conducted College and Affiliated Colleges.

In addition to these, the research programs in almost all thirty-Seven Departments and three conducted Colleges are propelled through M. Phil., Ph. D. and Post-Doc. University Hobby Workshop conducts regular training programs in the areas of Photography, Painting, Clay modeling, Carpentry, Electronics, etc.
