Acknowledgement

It is my great pleasure to articulate my gratitude towards my honorable guide Dr. Mohammad Umar, Professor and Head of the Department of Political Science, Dr. Babasaheb Ambedkar Marathwada University, Aurangabad. I am very much thankful to him for his ever inspiring guidance, expertise, deeper interest in research work as well as affectionate support.

I am heartily thankful to Dr. Maqdoom Farooqui Principal, Maulana Azad College, Dr. Rafiq Zakaria Campus, Aurangabad for his brotherly help, support and guidance right from beginning till completion of this work. His concern and encouragement was indeed commendable.

I am extremely grateful to Dr. A.R.Khan for his inspiring support and ever ready cooperation in shaping this work. I am indeed indebted to him.

I must not forget to appreciate the co operation and support of my colleagues, Teaching and Non Teaching Staff, of Maulana Azad College, Aurangabad.

My acknowledgement would be incomplete without mentioning the moral support received from my beloved wife Mrs. Asema Farheen and my father Alaf Khan, father in law Mohammed Shaker who helped me pass many hurdles during the course of this journey which would have been very difficult for me to complete this important task.
My thanks are due to many of my friends who helped me during this work. I sincerely thank them all, besides to all those who have visibly or invisibly helped me, without whose blessings this would not have seen the light of the day. I will always cherish the memories of their tireless efforts and affection in achieving my goal. I also thank Mr. Mohd. Shoeb for typing the thesis in time.
