ACKNOWLEDGEMENTS

I am extremely grateful to my supervisor Dr. M. SOUNDIAN SELVARAJ, M.A., M.Ed.,Ph.D., professor of Adult and continuing education, University of Madras, Chennai for his invaluable help in the design and executing of this work. I am greatly indebted to him for his constant guidance and supervision in this regard.

I am greatful to Dr. T. SANTHANAM, Psychologist of vocational rehabilitation centre for handicapped. Guindy, Chennai. For his help and encouragement. My thanks are also due to Mrs. INDIRA RAJAGOPAL psychologist for her valuable criticism while writing the thesis.

With great affection I should like to record my sense of gratitude to the students of different schools who served as subjects of this study.
