ACKNOWLEDGEMENT

It is a great pleasure to acknowledge the help and encouragement received from several sources in carrying out this investigation and in preparing this thesis.

The foremost expression of my profound gratitude and thanks goes to my guide Dr M.T. Thiagarajan, Visiting Professor of Management Sciences, PSG College of Technology, who guided me with constructive comments, instructions and observations at various stages of my research. I am indebted to him for his scholarly help and guidance in preparing this thesis.

I acknowledge my debt of gratitude to Dr. R. Subbayan Principal, PSG College of Technology, for his encouragement and keen interest in my research, and for providing the facilities for carrying out the study.

I am thankful to the members of the doctoral committee for prescribing a useful coursework for study and for their constructive suggestions on the topic of research.
