ACKNOWLEDGEMENTS

This humble treatise research work of mine would never have seen the light of the day but for the worthy blessing of my ‘Mother’ who has been a guiding force in life's journey.

Words are inadequate to express my deep gratitude to my supervisor Dr. Samridhi Arora, Sr. Assistant Professor, P.G. Department of Home Science (Human Development), University of Jammu. The encouraging and keen interest provided by her made my task much easier and interesting. The hard work and dedicated academic sharing received from her needs a special mention here for her intellectual stimulation, untiring help and her unflinching interest with great love and affection throughout the present study.

I am also grateful to Prof. Neeru Sharma, Head, P.G. Department of Home Science (Human Development) for her valuable ideas, suggestions, guidance, kind and thoughtful ways and moral support throughout my research study. I also acknowledge my sincerest thanks to Dr. Rajni Dhingra, Professor, P.G. Department of Home Science, University of Jammu whose adroit guidance and support inspired me during the period of my study. Dr. Shashi Manhas (Associate Professor), Dr. Sarika Manhas (Assistant Professor) and Mrs. Nirojini Bhat Bhan (Assistant Professor), Post Graduate Department of Home Science, University of Jammu for providing me valuable suggestions and inspiration.

I am also thankful to Dr. Charu Mohan, Laboratory Assistant, Mrs. Ranjana, Librarian, Mr. Pawan Sharma, Computer Assistant, and other nonteaching staff members of P.G. Department of Home Science, University of Jammu for their constant help throughout my research work.

I am greatly indebted to my grand parents, who will always remain in
my heart as a burning lamp of motivation towards hard work. May their soul rest in peace and always show me the path towards wisdom.

I gratefully acknowledge my sincere thanks to the aged Gujjars, their children and community members of Gujjar Community and all the Block Development Officers (BDO’s) of different Block of Jammu district for their cooperation in providing information and willing support during the period of my research study.

I would perhaps be failing in my moral duty towards my In-Laws family who were a symbol of patient support without whose assistant I could have never moved forward.

Deepest acknowledgement is expressed to my husband Mr. Karam for his buoyant support, assurance, inspiration and best wishes, have enabled me to transfer my dream into reality. Special thanks are due to my baby Ryann Karam.

It is with immense pleasure that I take this opportunity to express my deep sense of gratitude for the core of my heart to my father, my brothers and Bhabies. It is only due to their blessing along with love, care, kind help, encouragement moral and financial support during my sensitive periods that I have completed this research.

I extend my whole hearted thanks to all my friends and research Scholars, Mrs. Royal Gupta, Mrs. Vaishali Arora, Saima, Manoti, Preeti Gupta, Isha Sharma and Dr. Amardeep Kour from P.G. Department of Home Science,

University of Jammu for providing me moral support and timely help throughout my study and those whom I may have forgotten to name.

I also acknowledge my sincerest thanks to Mr. Divaker Prabhakar, Computer Typist who took all the pains to see to it that my research work passed through computation in the best possible way.

I extend my whole hearted thanks to all those who remained in shadows but have helped me in the completion of my work.
