Acknowledgements

First of all, I am highly grateful to Almighty who gifted me a honest and pure heart whose invisible presence is partisan for me that produced scintillating power to ploy over the traffic situations, silently during my research period.

The words can never express my feelings of deep gratitude, indebtedness and reverence to my esteemed teacher and research supervisor Dr. (Mrs.) Seema Sirohi, Associate Professor, C.R. College of Education, M.D. University, Rohtak who has always shown an exemplary keenness and interest in perpetuating my research aptitude. It is my pleasure to acknowledge my indebtedness and deep sense of gratitude to my respected research supervisor, without whose scholarly guidance and encouraging attitude, the work would not have been completed. His keen interest in the work gave me inspiration and generated confidence to complete the work.

My sincere thanks are also due to Dr. (Mrs.) Indira Dhull, Professor, Head and Dean, Department of Education, M.D University, Rohtak for her constant unfailing interest in monitoring the progress of my study. She saved me from many technical hassles by her timely advice.

I am immensely grateful to the members of the staff of the Central Library of the M.D. University, Rohtak, Library of J.N. University, Delhi, Delhi University and other various libraries of Delhi for providing me access to necessary reading and reference materials.

I would also like to thank the school principals and teachers who helped me in the collection of data and administration of tools.

No words can adequately express my gratitude to my family. I am beholden to my in-laws and parents for their encouragement and blessings. They always remained a perpetual source of inspiration to me. I am also grateful to my brothers, brother-in-laws, sister-in-laws and their families for being beacons of strength throughout my research work.
I do feel proud while mentioning the name of my husband Mr. Arvind, who constantly encouraged and motivated me to see this work a reality. He stood as a lamppost and showed me the path and made it easy to do this research work. I just don’t have enough and proper words to thank him for everything.

Finally, I must convey my deepest affection to my son Anshuman for his love and affection.
