Acknowledgement

It is my privilege to express my deep sense of my gratitude and sincere thanks to my Guide Dr. B. S. Biradar, Professor, Department of Library and Information Sciences, Kuvempu University, for his valuable guidance, encouragement and help in channelling my efforts in the right direction. I also take this opportunity to express my profound sense of gratitude to him for introducing me to research field, which made this research a pleasant and memorable experience.

I gratefully acknowledge my thanks to Dr. Shamprasad M. Pujar, Deputy Librarian Indira Gandhi Institute of Developmental Research, Mumbai, for his co-operation, help and support in carrying out my research.

I am thankful to Mr. P. Dharanikumar, Assistant Professor, Department of Library and Information Science, Kuvempu University, who has helped me through creative interaction to understand the concepts and various applications of my topic.

I wish to express my warm and sincere thanks to Dr. S. Padmamma, Associate Professor and Chairman, Dr. B.T. Sampath Kumar, Assistant Professor, Department of Library and Information Science, Kuvempu University, Jnana Sahyadri and Mr. K.T. Santhosh Kumar, Assistant Professor, Sahyadri Arts and Commerce College, Shimoga for their kind support and guidance which have been of great value in this study.

I am indebted to Dr. K.C. Ramakrishne Gowda, University Librarian, Kuvempu University and all the library staff for their support and inspiration in completion of my research work.

I am thankful to all the Botany professionals, who have responded to my questionnaires within the time and helped me to accelerate the purpose of research.
My sincere gratitude also goes to all those who instructed and taught me through the years. Finally, this thesis would not have been possible without the confidence, endurance and support of my family. My family has always been a source of inspiration and encouragement. I wish to thank my parents, Shri N. F. Juttiyavar and Smt. Savitramma Juttiyavar whose love, teachings and support have brought me this far. I wish to thank my wife Madhavi Juttiyavar and son Shuban Juttiyavar for their affection, understanding and patience.

Lastly, I am thankful to all those who have helped me directly or indirectly in one and the other way during the course of my research work.

Mahesh N. Juttiyavar
