ACKNOWLEDGEMENT

It is my privilege to express my deep sense of my gratitude and sincere thanks to my Guide Dr. B. S. Biradar, Professor, Department of Library and Information Sciences, Kuvempu University, for his voluble guidance, encouragement and help in channelling my efforts in the right direction. I also take this opportunity to express my profound sense of gratitude to him for introducing me to research field, which made this research a pleasant and memorable experience.

My immense gratitude to Dr. S. Padmamma, Associate Professor and Chairman, Department of Library and Information Science, Kuvempu University, who has helped me through creative interaction to understand the concepts and various applications of my topic.

I am thankful to Dr. B.T. Sampath Kumar and Mr. P. Dharanikumar, Department of Library and Information Science, Kuvempu University, who has helped me through creative interaction to understand the concepts and various applications of my topic.

I gratefully acknowledge my thanks to Dr. K. C. Ramakrishne Gowda, University Librarian, Kuvempu University and all other library staff for their cooperation, help and understanding, and support in carrying out my research.

I greatly acknowledge my thanks to Dr. Baradol, Professor and Chairman, Department of Library and Information Science, Mangalore University, Dr. Bandi, Librarian, Dr. T.Y Mallaiah, Deputy Librarian, Mangalore University, for his moral support and constant encouragement in the completion of my research work.

I express my gratitude to Dr. Rangappa K. B, Associate Professor, and Sandesh, Research Scholar, Department of Economics, Davanagere University, who has been a source of inspiration for me to do help applications of research in Statistical Tools and Techniques, without whose constant support, encouragement and concern, I would not have completed this work.
I express my gratitude to Geetha, Guest Lecturer, Kotesh. B and Shivaraja. O, Department of Library and Information Science, Kuvempu University, who has helped me in the completion of my research work.

I gratefully acknowledge my thanks to Dr. Pushpa Kuttanna, Principal, Field Marshal K. M. Cariappa College (A constituent college of Mangalore University) Madikeri, who has been a source of inspiration for me to do research and his constant support, encouragement, help and concern I would not have completed this work.

I am thankful to all the librarians, library professionals and scientists/faculties who have responded to my questionnaires within the time and helped me accelerate the purpose of research.

I express my gratitude to Dr. Thippeswamy B, Assistant Professor, Department of Microbiology, Dr. Basavaraja, D., Department of Environmental Science, Dr. A.M. Sathisha, Department of Botany, Dr. G.Y. Dayananda, Department of Zoology, Kuvempu University, who has been a source of inspiration for me to do this research.

I am indeed indebted to my brother in-law Prabhu Deva. M., father in-law and mother in-law, for their cooperation and help. Finally, I remember my daughter Chinmayi. M., and my wife Yashodamma. M., for their unstinted cooperation and support.

My sincere thanks to Dinesh and Sudha, SGS Computers, Shankaraghatta for their concern and help in typing and completing thesis.

Lastly, I am thankful to all those who have helped are directly or indirectly in one and the other way during the course of my research work.

Maranna. O
