List of Figures

4.1 The Mexican hat wavelet and its fractional Fourier transform with angle 
\( \theta = \pi/6, \pi/4 \) and \( \pi/2 \) respectively. ......................... 49

4.2 The Morlet wavelet and its fractional Fourier transform with \( a=3 \), and 
angle \( \theta = \pi/6, \pi/4 \) and \( \pi/2 \) respectively. ......................... 51
