Acknowledgement

I, Gajendra Singh Gaur, feel great pleasure to express deep sense of gratitude to my supervisor Dr. B. P. Singh, Professor in Chemistry, Deenbandhu Chhoturam University of Science & Technology (DCRUST), Murthal, Sonipat, Haryana, and Co-supervisor Dr. M.S. Kaurav, Professor in Chemistry, Alwar Institute of Engg. & Tech. (AIET) Alwar, Rajasthan. (Formerly, Associate Professor in Chemistry, BRCM College of Engineering & Technology, Bahal, Bhiwani, Haryana), not only for their valuable guidance but also for their favour always provided me with deep sense of knowledge, encouragement and affection. It is their skillful guidance that encouraged me throughout the work on this interesting and important subject in chemistry.

I express my whole hearted thanks to Dr. K. Dwivedi, Professor, Department of Chemistry, Jiwaji University, Gwalior, Madhya Pradesh, for providing me the guidance and support in this research work whenever I required.

I am extremely thankful to Vice Chancellor, Deenbandhu Chhoturam University of Science & Technology (DCRUST), Murthal, Sonipat, Haryana, who so kindly allowed me to avail necessary facilities in the department of chemistry throughout this work.

My special thanks to the Director of D.R.D.E.,Gwalior for permitting me to consult his library for the literature survey and to consult different journals.

I thank to the Management of BRCM CET, Bahal, Prof. R. C. D. Kaushik (Former Director General), Prof B. K. Khan (former Director), Dr. S. R. Choudhary (Former principal) and Dr. A.K. Srivastava, Principal, BRCM CET, Bahal, Bhiwani (Hry.) for providing all possible help, kind support and facilities while performing the experiments in the in the chemistry lab of the college.

I obliged a lot to my father Shri Bhagirath Singh Gaur, mother Smt. Nirmala Devi for their blessings, inspirations, and confidence in me throughout this work. I especially thank to my wife Mrs Nitu Singh Gaur, daughters Ku. Anshika Gaur and Ku. Vaishnavi Gaur, my brothers Ravindra Singh Gaur and Satyendra Singh Gaur for their constant support and encouragement without their cooperation it could not be possible for me to complete this work in time.
Finally, I am much thankful of Mrs. Asha Kaurav, Er.Jyoti Kaurav and Mast. Vinayak Kaurav for their continuous support and for making programme to calculate the data during this work. I wants to express my thanks to all my friends ands those who were associated with my research work directly or indirectly, specially Mr. Pallav Sxena, Mr. Upendra Gupta, Mr. Shyam Shrivastava, Mr. Amarendra Singh Kushwah, and Mr Amit Singh Chauhan, and Dr Manohar Sharma for boosting me during all the course of work.

Last but not least I thank to Mr. Ashish Tiwari for typing the thesis speedily, neatly and cleanly and M/s. Narayan Book Binder, Gwalior. designing, printing and binding the thesis in the present form.

[GAJENDRA SINGH GAUR]
