ACKNOWLEDGEMENT

This thesis would not have been possible but for the support, guidance and supervision of Dr. V. Murugaiah, Reader, Institute of Management Studies, Kuvempu University, P.G. Centre, Davangere, Karnataka who continuously helped me to improve the overall quality of the work.

Dr. B. Bakkappa, Professor and Director, P.G. Centre, Kuvempu University, Davangere encouraged me throughout.

Dr. B. Janakiraman, Head MBA Department, MS Ramaiah Institute of Technology, Bangalore spent considerable time with me and helped in the questionnaire design.

Prof. RN Venkateswaran, Faculty at the Kirloskar Institute of Advanced Management Studies, helped me at different stages. I am thankful to him for his encouragement and support.

Dr. V. Prakash, Management Consultant, Bangalore and visiting faculty at the Kirloskar Institute of Advanced Management Studies, Harihar read several drafts at different stages and gave his valuable inputs.

Dr. Prasanna Bhatt, Former MD of ITCOT, Chennai helped in the early stages of the work by bringing clarity in my objectives.

Dr. K.B. Rangappa, Faculty Member, Department of Economics, Kuvempu University, P.G. Centre, Davangere guided me on the statistical aspects. I am thankful to him.
I also wish to acknowledge the support of Dr. Amitabh Kodwani, Dr. Manoj Kumar, Dr. Mohit Maurya and Prof. K. Ravi of the Kirloskar Institute of Advanced Management Studies for their help at different stages.

I also wish to acknowledge the help of my wife, Janaki and daughters Swathi and Swetha for helping me in the tabulation of data and encouraging me.

The blessings of my dear father V.R.M. Sundaram are with me. He was a pioneer and path breaker in all that he did. My mother Rajam, my sisters Shyamala, Shanta, Swatantra, Shashikala and my brothers in law, Sreenivasan, Satyam and Gopal have encouraged me throughout.

I wish to acknowledge the academic support extended by the staff members of the Kuvempu University and its P.G. Centre.

The Kirloskar Institute of Advanced Management Studies has provided me the resources and the ambience to pursue my research work. I thank the Governing Council of the institute for providing me the same. I particularly wish to thank Mr. B. Mehaboobsab of the administration for all help and support.

I also wish to thank many others who directly or indirectly helped in the completion of the study.
