**Tables Used for Findings & Suggestions**

| 50 | 7.1 | Exogenous constructs and Consumer Age | Appendix A |
| 51 | 7.2A | Various product categories shopped in two different formats | 288 |
| 52 | 7.2B | Demographics and psychographics of consumers shopped in two different retail formats shopping Grocery and vegetables | 289 |
| 53 | 7.2C | Demographics and psychographics of consumers shopped in two different retail formats shopping Apparels | 290 |
| 54 | 7.3 | Product categories decided solely by the women shoppers | 291 |
| 55 | 7.4A | Percent of your time you spent in shopping per week | 292 |
| 56 | 7.4B | Demographics & Psychographics of shoppers & percent of your time you spent in shopping per week | 292 |
| 57 | 7.5 | Demographics and psychographics of women consumers & shopping becoming best free time activity | 293 |
| 58 | 7.6A | Percentage of women shoppers and consumer empowerment index | 294 |
| 59 | 7.6B | Demographics & psychographics of consumers and consumer empowerment. | 295 |
| 60 | 7.7 | Latent variables measuring consumer empowerment and age of the consumers | 296 |
