ACKNOWLEDGEMENT

I wish to express my gratitude to Dr (Miss) E.G. Vadanayagam, M.A., M.S., Ed.D., F.R.G.S., (Lond), Professor and Head, Department of Education, University of Madras, for her able guidance and supervision of the present study. She is the chief source of inspiration and encouragement behind the present study. Her valuable academic guidance is greatly acknowledged. I am extremely grateful to Dr. P.S. Balasubramanian, M.A., M.Ed., Ph.D., Reader, Department of Education, University of Madras, who gave me his valuable guidance at all stages of the study. His critical evaluation and judgement helped me to improve my work tremendously. I owe my sincere thanks to him also.
