ACKNOWLEDGEMENT

A major research project like this is never the work of anyone alone. The contributions of many different people, in their different ways, have made this possible. First of all, with all humility and sincerity, I thank God for the wisdom and perseverance that he has bestowed upon me during this research project, and indeed, throughout my life. For the measure of guidance and inspiration without which no sustained commitment can be rewarding, I express my deep sense of gratitude to my supervisor, Dr. Supreet Kaur, Assistant Professor in Education, University School of Open Learning, Panjab University, Chandigarh, for her inspiring guidance, encouraging attitude, constructive criticism, enthusiastic interest, invaluable suggestions throughout the course of this investigation.

I am also extremely indebted to Dr. Nandita, Chairperson, Department of Education, Panjab University, Chandigarh for providing necessary infrastructure and resources to accomplish my research work. I express my sincerest thanks to Principal Dr. Surinder Pal Kaur Dhillon and all the staff members of Khalsa College of Education, Ranjit Avenue, Amritsar for their endless support and encouragement, without which it would have been difficult to complete this project.

I am also sincerely thankful to the Principals and Teachers of different schools for their help and co-operation in collection of the data for this study. My sincere gratitude also goes to those authors whose works I have consulted and quoted in this study. I am equally thankful to the personnel of the libraries to which I went for studying the literature relevant to my work. My whole hearted thanks are also due to all the grand and seasoned experts in the field who were like lighthouse in my journey towards the development of the tool.

I would like to put on record my special thanks to Dr. Ram Mehar, Assistant Professor in Education, University School of Open Learning, Panjab University, Chandigarh, for his cogent criticism and thought-provoking suggestions which have been a great help in the completion of this thesis.

I would also like to thank my colleagues Mrs. Gagandeep Kaur and Mrs. Parwinderjit Kaur for their insightful comments. All the feedback they gave provided valuable contributions in this thesis.
I am also grateful to my children, Sugam Reet Bhullar and Jashan Partap Singh, who offered their endless support and constant prayers. This academic journey would not have been possible without their love, patience and sacrifices. I am also thankful to my caretakers S. Bhagwan Singh Sidhu and Mrs. Darshan Kaur Sidhu for being my continuous supporters during all this period of my study.

Finally, but definitely not the least, I express my gratitude to my dear husband, Mr. Balkar Singh Bhullar. I am very appreciative for his patience and steadfast encouragement to complete this study. All may not be mentioned but no one is forgotten. By these words I remember all the persons who helped me for reaching at the end of this research work.

Inspite of the best efforts, ventures of this kind are not likely to be free from human errors, some inaccuracies, ambiguities and typographic mistakes. I am responsible for any remaining error.
