ACKNOWLEDGEMENT

It gives me immense pleasure to express a sense of profound gratitude and indebtedness toward my esteemed guide, Dr. (Mrs) Sukhwant Bajwa, Associate Professor, Department of Education, Panjab University, Chandigarh for taking keen interest and giving invaluable guidance and encouragement which helped me in proper execution and completion of the present study. The suggestions provided by her have been of immense value in improving the quality of my research work at all stages. This expression of working with her shall remain a constant source of inspiration to me. It is a matter of great privilege that the present study was carried out under her competent and valuable supervision and only due to her the research work has come in present shape. She has proved a real source of encouragement, a beacon guide and a knowledgeable, well informed person.

Simply stated, it wouldn’t be worth without you.

I would like to thank Dr. (Mrs.) Indu Rihani, Principal, Rayat and Bahra College of Education, Mohali for her kind support in the completion of this work.

A special word of thanks to the Principals of various education colleges for permitting me to conduct the research work in their respective institution.

The research work wouldn’t have been initiated without the consistent motivation and guidance of my parents.

This work could not have taken present shape without the help of my dear husband. His readiness to help anytime is commendable.

Last but not the least, I shall always be indebted to my in-laws specially to my mother-in-law and sister-in-law, whose patience, sincerity, constant cooperation and encouragement made me withstand all the difficulties during the entire span of this research work.

Above all I am grateful to Almighty who is the “APostle of my Strength”.
