ACKNOWLEDGEMENT

Today I wish to thank the Almighty whose grace has made this research work possible. I pray that this hidden force will always give me strength, courage, wisdom and will power to face all challenges of life.

I express my gratitude to my supervisor Dr. (Mrs.) Supreet Kaur, Assistant Professor, Department of Education, University School of Open Learning, Panjab University Chandigarh, for her valuable guidance and constant feedback for this study. I am highly indebted to her for encouragement, support, friendly temperament and above all her valuable time throughout the development and the completion of thesis.

I express my sincere thanks to Professor (retired) Malvinder Ahuja, Department of Education, Panjab University Chandigarh to show me the right path to start Ph.D.

I express my gratitude to the Department of Education for providing me the facilities to work in the department. I specially express my sincere thanks to Mrs. Devi, Librarian, Department of Education and Mrs. Santosh, Librarian, Department of Psychology to provide me the facilities to start and complete my research work.

I owe my gratitude to Professor (retired) V. V. Upmanyu, Department of Psychology, Panjab University Chandigarh for their valuable suggestions and help which provided me a right direction to carry out this research work.

I owe my gratitude to University Grants Commission for the award of Junior Research Fellowship which enabled me to complete this enormous project.

I would like to thank and acknowledge the principals and faculty members of the schools who permitted me to collect data during this research. I would like to thank all those students who participated as subjects in my study.

I am thankful to all the researchers and authors whose works I have used and quoted in my research report and without much it would not have been possible to link the missing gaps.

I express my gratitude to my dear friends Mr. Ibadat Khan and Ms. Kamaljeet Kaur who have always a source of inspiration, encouragement, motivation, and always provided me help, support and care throughout my research work. I also express my gratitude to Rathi Family to provide me encouragement and motivation to start and complete this work.
I owe a never ending sense of regard and gratitude to my loving parents Sh. Kundan Lal Sharma and Mrs. Vijay Kumari Sharma who stood by me in all my decisions and for extending much needed support and inspiration to finish this research work. My younger sister Ranjana and younger brothers Vivek and Vincy need a mention as being a motivating and nurturing force. I owe my gratitude to my Grandparents for their never ending love and care which always help me to go ahead. I wish to thank all my well wishers and loved ones for their sincere concern and prayers for me.

Finally I would like to thank all the persons who were important to the successful realization of thesis as well as expressing my apology that I could not personally mention everyone by name.
