ACKNOWLEDGEMENT

First of all, I thank the ALMIGHTY God who gave me the opportunity and strength to carry out this work.

I wish to express my sincere gratitude to my advisor, Dr. Sarbjit Kaur Ranu, for her invaluable assistance, inspiring guidance and constant supervision throughout the investigation. She gave me valuable advice when I doubted myself, challenged me to surpass my limits and improve my abilities, and compelled me recognize my own value as a student.

I am highly grateful to my college Principal Dr. (Mrs.) Baljeet Kaur Gill for providing the encouragement all along the course of present study.

The paucity of words does not compromise for extending my heartfelt acknowledgement, deepest regards to my parents for their continued support each time I have pursued an academic endeavor. It has only been with their love and patience that I have been able to complete this research report.

I wish to express my heartiest thanks to the principals, teachers and students of various schools, who extended their cooperation in carrying out my study.

I am also thankful to many authors whose work has been consulted, utilized and cited in this thesis.

I would also like to thank the website developers for helping me designing and developing the instructional website. My sincere thanks are to everyone connected with my work in one way or the other.

In spite of the best efforts, ventures of this kind are not likely to be free from human errors, some inaccuracies, ambiguities or, any typographical mistakes. Needless to say, I am responsible for any remaining errors.
