CONTENTS

PHYTOCHEMICAL AND PHARMACOLOGICAL EVALUATION OF RICINUS COMMUNIS LEAVES AND SEEDS

SECTION – A

Chapter – I : Introduction 01
Chapter – II : Review of Literature 17

Aims and Objectives of present investigations 39

SECTION – B : Phytochemical studies

Chapter – III : Chemical Investigations 40

SECTION – C : Pharmacological Studies

Chapter – IV : Studies on Hepato Protective activity 91
Chapter – V : Studies on Anti-inflammatory activity 114
Chapter – VI : Studies on Analgesic activity 124

SECTION - D

Chapter – VII : Summary and Conclusions 136
