The vernal plea re which I am getting this day, while submitting the thesis, is in the true sense, an outcome of the sincere and generous help rendered by all my colleagues and friends. It is not possible to thank all individually as the list is very long. However, I acknowledge all those who constantly inspired, helped and guided me throughout the period of my work.

I take this opportunity to express my profound feelings of gratitude to my learned supervisor, Dr. S.S. Mathur, Reader, Department of Education, Panjab University, Chandigarh (India). In fact I have no suitable words to express my deep sense of gratitude and profound feelings of regard and respect to Dr. Mathur, an inspiring personality in my educational career.

I am thankful to Dr. J.N. Joshi, Head, Department of Education, Panjab University, Chandigarh, for providing me with all the facilities to work in the department and also helping me to solve the problems whenever I came across in my research work.

I am indebted to Shri S.S. Chadha, Assistant Director Employment Bureau, Chandigarh, who had been a continuous source of inspiration, his brotherly outlook encouraged me to complete this venture. I am also thankful to Shri B.P. Aggarwal, Director, Labour Bureau, Chandigarh who helped me in computing price indices, Sh. M. Mehta, Employment Officer, Sangrur.
I express the feelings of gratitude to Dr. V.D. Sousa, Professor and Head, Department of Sociology, Panjab University and Mr. K.K. Bhatia, Lecturer, Malwa Central College of Education, Ludhiana, who were kind enough to provide me help in consulting relevant literature and also giving relevant suggestions wherever I needed.

I am very thankful to Professor S.S. Khumar of Vaish College, Bhiwani (Haryana) whose personality and intellectual discourse were a good source of inspiration to me.

I express my thanks to Dr. K.G. Sharma, Reader, D.A.N. College of Education, Meerut, Dr. Tirath Ram Sharma, Head, Department of Education, Punjabi University, Patiala, Dr. Asha Sethi, Lecturer, Department of Education, Panjab University, Chandigarh, for giving me suitable and valuable suggestions from time to time.

I am deeply grateful to my colleague, Dr. K.K. Sharma, now Reader, North Eastern Hill University, Shillong, for inspiring me to complete this project. He has been a beacon light to me for continuously brightening the hazardous path of this project.

I express my sincere thanks to all the people selected for the sample of this study who extended an exceptional co-operation for completing the study. Besides, my thanks are due to Mr. Gurdeep Singh Nat, Mr. Baldev Singh and Mr. Harbhajan Singh of SAS Nagar, and Mr. Harbhajan Singh, M.Sc., M.Ed., Lecturer, Guru Nanak Public School, Chandigarh, who extended their kind help in different ways.
I am thankful to Mr. Behal and Mr. Mohinderu, Programmers, DW-1620, Computer Centre, Panjab University, for preparing the needed programmes, in the statistical treatment of the data. Thanks are due to Shri Trilochan Singh, Stenographer and Shri Kalwant Rai Mittal, who helped to give this shape of thesis through their efficient typing.

I duly acknowledge the sacrifices of my better half Lady, Mrs. Paramjit Kaur, M.A., B.Ed.

In the end, I am overwhelmed with emotions to express my deep indebtedness to my revered parents and my teacher Professor Akhtar Ansari and Professor (Mrs.) Saisda Zaidi, Department of Education, Aligarh Muslim University, Aligarh, who have ever been a source of encouragement and warmth in my higher learnings.

Jaswant Singh.
