Chapter -I : INTRODUCTION

1.0.0 Introduction ........................................... 1
1.0.1 Indian Society ........................................ 2
1.0.2 Education and Society ................................ 3
1.0.3 Social Mobility ....................................... 5
1.0.4 Statement of the Problem .............................. 9
1.0.5 Impact of Education on Vertical Social Mobility as Measured by Income, Occupation and Social Status ................. 9
1.0.6 Explanation of the Terms Used in the Statement .... 12
1.1.0 Objectives of the Study ............................... 12
1.1.1 Major Hypotheses of the Study ...................... 13
1.1.2 Importance of the Study ............................. 13
1.1.3 Scope of the Study .................................. 14

Chapter -II : RELATED STUDIES ................................... 16-36

2.0.0 Introduction ........................................... 16
2.1.0 Studies related to social mobility .................... 16
2.2.0 Studies related to education and social mobility .... 23
2.3.0 Studies related to education job satisfaction and social mobility ........................................... 29
2.4.0 Studies related to education parental aspirations and social mobility ........................................... 31

Chapter -III: BASES OF THE STUDY ..................................... 37-76

3.0.0

Section-A

3.1.0 Method of Research .................................... 37
3.2.0 Population ........................................... 38
3.2.1 Sample ............................................. 38

Section-B

3.3.0 Tools ................................................ 42
3.3.1 Socio-Economic Status Scale .......................... 42
3.3.2 Occupational Prestige Scale ........................... 44
3.3.3 Job Satisfaction Scale ................................ 45
- Planning the Test ......................................... 45
- Preparation of Items ..................................... 47
- First Try Out ........................................... 49
- Second Try Out ......................................... 49
- Scoring Procedure ....................................... 49
- Item Analysis ........................................... 50
- Internal Consistency Method .............................. 50
- Popularity Value ........................................ 50
- Third Try Out ........................................... 51
- Fourth Try Out ........................................... 52
### 3.3.4 Parental Aspirations Scale

- Planning the Test  
  ...  
  56
- Depiction of Areas of Parental  
  Aspirations  
  ...  
  57
- Preparation of items  
  ...  
  58
- Collection of the items  
  ...  
  58
- Item Selection  
  ...  
  59
- First Try Out  
  ...  
  59
- Second Try Out  
  ...  
  60
- Item Analysis  
  ...  
  60
- Internal Consistency Method  
  ...  
  61
- Popularity Value  
  ...  
  61
- Reliability of the Scale  
  ...  
  61
- Test Retest Method of Reliability  
  ...  
  62
- The Validity of the Scale  
  ...  
  63
- Content Validity  
  ...  
  63
- Inter Correlation Method  
  ...  
  63

### 3.4.0 Design of the Study

- Design A  
  ...  
  67
- Design B  
  ...  
  68

### Section-C

#### 3.5.0 Collection of the Data

...  
...  
70

#### 3.5.1 Scoring and tabulation

...  
...  
71

#### 3.5.2 Statistical Techniques Applied

...  
...  
72

- Measures of Central Tendency  
  ...  
  72
- Measures of Variability  
  ...  
  73
- Measures of Skewness & Kurtosis  
  ...  
  73
- Percentage  
  ...  
  73
- C.R.Value  
  ...  
  73
- Rank Order Correlation  
  ...  
  74
- Standard Error of Mean  
  ...  
  74
- Setting up of confidence intervals  
  ...  
  74
  for the population mean  
  ...  
  74
- 't' Ratio  
  ...  
  74
- Pearson co-efficient of correlation  
  ...  
  75

### Chapter-IV: PRESENTATION CLASSIFICATION AND INTERPRETATION OF DATA

#### 4.0.0

4.1.0 Classification and interpretation  
  of the income of old generation  
  ...  
  78

#### 4.1.1

- Interpretation  
  ...  
  80

4.1.1.1 Classification and interpretation  
  of the income of new generation  
  keeping in view their fathers' education  
  ...  
  82
- Interpretation  
  ...  
  84

#### 4.1.2

- Comparative Study of the Income  
  Variable of old and new generations  
  ...  
  86

- Interpretation  
  ...  
  87

</table>
4.7.1 Classification and interpretation of the job satisfaction of the new generation
- Interpretation

4.7.2 Comparative study of the job satisfaction of old and new generations
- Interpretation

4.8.1 Classification and interpretation of the parental aspirations of the new generation
- Interpretation

4.8.2 Comparative study of the parental aspirations of old and new generations
- Interpretation

4.8.3 Comparative study of the intercorrelations between job satisfaction and parental aspirations of the old generation
- Interpretation

4.9.0 Comparative study of the intercorrelations between job satisfaction and parental aspirations of the new generation
- Interpretation

4.10.1 Comparative study of the vertical social mobility of the population under study
- Interpretation

Chapter-V: DISCUSSION OF RESULTS

5.0.0 Income
- Old generation
- New generation
