</table>
Partial Correlations between Dependent Variable (Power) and Independent Body Composition Variables of Physical Education Majors 129

Multiple Correlation of Independent Body Composition Variables to Dependent Variable (Power) of Physical Education Majors 130

Relationship of Dependent Variable (Agility) with the Selected Independent Psychological Variables of Physical Education Majors. 133

Partial Correlations between Dependent Variable (Agility) and Selected Independent Psychological Variables of Physical Education Majors 134

Multiple Correlation of Selected Independent Psychological Variables to Dependent Variable (Agility) of Physical Education Majors 135

Relationship of Dependent Variable (Agility) with the Selected Independent Physiological Variables of Physical Education Majors 136

Partial Correlation between Dependent Variable (Agility) and Selected Independent Physiological Variables of Physical Education Majors 138

Multiple Correlation of Selected Independent Physiological Variables to Dependent Variable (Agility) of Physical Education Majors 139

Relationship of Dependent Variable (Agility) with the Independent Body Composition Variables of Physical Education Majors 141

Partial Correlation between Dependent Variable (Agility) and Independent Body Composition Variables of Physical Education Majors 142
Multiple Correlation of Independent Body Composition Variables to Dependent Variable (Agility) of Physical Education Majors

Relationship of Dependent Variable (Speed) with the Selected Independent Psychological Variables of Physical Education Majors

Partial Correlations between Dependent Variable (Speed) and Selected Independent Psychological Variables of Physical Education Majors

Multiple Correlation of Selected Independent Psychological Variables to Dependent Variable (Speed) of Physical Education Majors

Relationship of Dependent Variable (Speed) with the Selected Independent Physiological Variables of Physical Education Majors

Partial Correlations between Dependent Variable (Speed) and Selected Independent Physiological Variables of Physical Education Majors

Multiple Correlation of Selected Independent Physiological Variables to Dependent Variable (Speed) of Physical Education Majors

Relationship of Dependent Variable (Speed) with the Independent Body Composition Variables of Physical Education Majors

Partial Correlations between Dependent Variable (Speed) and Independent Body Composition Variables of Physical Education Majors

Multiple Correlation of Independent Body Composition Variables to Dependent Variable (Speed) of Physical Education Majors.

Relationship of Dependent Variable (Endurance) with the Selected Independent Psychological Variables of Physical Education Majors
31 Partial Correlations Between Dependent Variable (Endurance) and Selected Independent Psychological Variables of Physical Education Majors 157
32 Multiple Correlation of Selected Independent Psychological Variables to Dependent Variable (Endurance) of Physical Education Majors 158
33 Relationship of Dependent Variable (Endurance) with the Selected Independent Physiological Variables of Physical Education Majors 159
34 Partial Correlations between Dependent Variable (Endurance) and Selected Independent Variables of Physical Education Majors 161
35 Multiple Correlation of Selected Independent Physiological Variables to the Dependent Variable (Endurance) of Physical Education Majors 162
36 Relationship of Dependent Variable (Endurance) with the Independent Body Composition Variables of Physical Education Majors 164
37 Partial Correlations between Dependent Variable (Endurance) and Independent Body Composition variables of Physical Education Majors 165
38 Multiple Correlation of Selected Body Composition Variables to Dependent Variable (Endurance) of Physical Education Majors 166
