CHAPTER I INTRODUCTION 1-35

1.1 INTRODUCTION .................... 1

1.2 DEVELOPMENT OF UNIVERSITY EDUCATION IN THAILAND ........... 2

1.2.1 Historical Perspective .. 3

1.2.2 The Present Situation .. 10

1) Types of Institutions 12

2) Location; Geographical Dispersion ................ 16

3) Enrolment ............... 18

4) Quality of Academic Staff ............... 20

5) Institutional Governance and Administration ...... 21

1.2.3 The Trends ............... 26

1.3 EMERGENCE OF THE STUDY ....... 27
3.1.1 The Objectives and Philosophy of Institutions of Higher Education in Thailand ............ 70

3.1.2 The Functions of Government University .......................... 73

1) Manpower Planning ............... 73

2) Development of the Individual .................. 74

3) Advancement and Diffusion of Knowledge .......... 75

4) Community Services .............. 76

5) Cultural Preservation .......... 77

3.1.3 The Role of the University Academic Staff and University Students .......................... 78

1) The Role of the University Academic Staff ............... 78

2) The Role of University Students .................. 81

3.2 GOVERNMENT REPORT ............... 85

3.2.1 About the University Staff ... 86

3.2.2 About the Teaching Programmes. 88

3.2.3 About the Future of University Education .............. 89

3.3 SIMILAR STUDIES .................. 94

CHAPTER IV DESIGN OF THE STUDY 100-107

4.1 METHOD OF THE STUDY .............. 100

4.2 THE POPULATION .................. 100
iv

4.3 Construction of tool used .... 101
4.4 Collection of data ............ 104
  4.4.1 Sample of students ....... 105
  4.4.2 Sample of clientele ....... 105
  4.4.3 Sample of staff ........... 105
4.5 Data processing ............... 106
4.6 Scoring of the scale .......... 106
4.7 Statistical techniques ........ 107

CHAPTER V

ANALYSIS OF DATA AND INTERPRETATION 108-230

5.1 The characteristics of the sample .................. 108
  5.1.1 The University students sample .............. 110
  5.1.2 The University clientele sample ............. 113
  5.1.3 The University staff sample ................. 116
5.2 The presentation of responses on the items .......... 120
  5.2.1 Role perception .................. 120
  5.2.2 Role expectation ................. 127
5.3 Testing hypotheses ............... 134
  5.3.1 Hypothesis interpretation ............... 134
  5.3.2 Hypothesis II interpretation .............. 150
CHAPTER VI CONCLUSIONS AND RECOMMENDATIONS 231-240

6.1 CONCLUSIONS 231

6.2 RECOMMENDATIONS

6.2.1 Specific Suggestions to Develop Conflict-free Role 235

6.2.2 General Suggestions 236

6.2.3 Recommendation for Further Investigation 239

CHAPTER VII SUMMARY 241-253

7.1 RESTATEMENT OF THE PROBLEM 241

7.2 THE PURPOSES OF THE STUDY 242

7.3 PROCEDURE 243

7.4 FINDINGS 244

7.4.1 General Findings 245
A. ROLE PERCEPTION .......................... 246
   i) Teaching Role .......................... 246
   ii) Role of Research ...................... 247
   iii) Role of Community Services and Cultural Preservation 247
B. ROLE EXPECTATION ........................ 248
   i) Teaching Role .......................... 248
   ii) Role of Research ...................... 248
   iii) Role of Community Services and Cultural Preservation 249

7.4.2 Major Findings .......................... 249
A. PERCEPTIONAL CONFLICT ................. 249
B. EXPECTATIONAL CONFLICT ............... 251
C. ROLE CONFLICT ............................ 251
D. THE ROLE CURRENTLY BEING PLAYED BY THE THAI UNIVERSITIES 252
E. THE ALTERNATIVES OF THE THAI UNIVERSITIES .................. 252

APPENDIX I .......................... 254-264
APPENDIX II .......................... 264-A
BIBLIOGRAPHY .......................... 265-269
