ACKNOWLEDGEMENTS

I owe a debt of deepest gratitude to my research supervisor, Prof. P.S AVADHANI M.Tech., Ph.D., Professor of Computer Science & Systems Engineering, AU College of Engineering (Autonomous), ANDHRA UNIVERSITY, VISAKHAPATNAM for his guidance, support, motivation and encouragement throughout the period this work was carried out. His readiness for consultation at all times, his educative comments, his concern and assistance even with practical things have been invaluable.

I express my sincere gratitude to Prof. I. Ramesh Babu B.E., M.E., Ph.D., Professor and Head of the Department of Computer Science and Engineering, Acharya Nagarjuna University, Guntur for his continuous encouragement. His support, motivation, patience and guidance have helped me to complete the work.

I thank all the faculty and supporting staff members of the Department of Computer Science and Engineering, Acharya Nagarjuna University, Guntur for their support in completing the thesis.

I also offer my sincere thanks to Dr.Ch.Srinivas Rao, Principal, SRI SAI ADITYA INSTITUTE OF SCIENCE AND TECHNOLOGY, for his co-operation and help during the course of my work.

I am very thankful to Dr. T.V.S.Gireendranath, Dean of Computer Science and Information Technology, SRI SAI ADITYA INSTITUTE OF SCIENCE AND TECHNOLOGY, for his constant support, motivation and encouragement during the course of my work.
I avail this opportunity to express my deep sense and heartful thanks to the Management of Sri Sai Aditya Institute of Science and Technology for providing a great support for me in completing my work by arranging the facilities needed to complete my work and for giving me the opportunity of doing the Ph.D.

I would like to thank my parents who inspired me all the way and supported me by arranging all the facilities and resources needed for work. Not to forget, our non-teaching staff, and our friends who had directly or indirectly helped and supported me in completing my thesis in time.

I express my gratitude to Sri P.E.S.N.Krishna Prasad and Smt.T.Neelima who helped me in structuring and writing my thesis.

An assemblage of this nature could never have been attempted without reference to and inspiration from the works of others whose details are mentioned in reference section.

Finally, the completion of this project makes me think of my family which would not have been possible without their love, support strength and hope. My heartfelt love to my wife who is my life, for her constant support and prayers.
