ACKNOWLEDGEMENT

In the name of GOD and I am grateful GOD to have given me the ability to reach this level of knowledge by making good people help me, support me, and guide me in this work. This is an extraordinary experience in my life. I feel great thankfulness to the people who have given me this opportunity to exploit my potential to meet challenges and fulfill my research objectives.

As usual, a large number of people were very important for the completion of this thesis work, and I would like to acknowledge at least some of them.

I would like to thank my advisor/guide Prof. Inampudi Ramesh Babu. He received me with open arms from my first day at Purdue, and provided continuous guidance and support throughout my stay here. He has been the constant source of inspiration and help. His suggestions and deep insight on academic matters contributed greatly to the completion of this dissertation as well as to my academic achievements.

For that I am grateful to acknowledge Prof. E Sreenivasa Reddy, who provided invaluable feedback and advice for my work and for this dissertation. He spent time discussing my research with me although he was very busy.

I would also like to Special thanks Sri P Sreerama Chandra Murty, Sri R. Eeswar, Sri P. Sudhakar and Sri Pathan Khasim for helping to my work.
I would like to thanks the staff of Computer Science & Engineering, all the staff of Computer Centre and my collages, who have been supportive to my work and encouraged me for making good progress.

I would also offer my special thanks to Prof. D. Ramakotiah, former Vice-Chancellor, Acharya Nagarjuna University who made my way for putting the first step with an of employ-mental opportunity in the University Campus.

I would also convey my special thanks Prof. G. V. Chalam, Department of Commerce & Management, Acharya Nagarjuna University. He is a well-wisher of mine.

I also appreciate my sons, Syed Abdul Mujeer & Syed Sameer and my dear wife, Syed Apsar, for her dedication and patience. Without their support, I would not have finished my goal. (Ph.D).

Last, but not least, I owe a thousand thanks my brothers and sister who bless me warmly through all these years. I am indebted to my late parents who have made me possible into this world.

SYED MUNEER
