ACKNOWLEDGEMENTS

I express my sincere thanks and gratitude to my esteemed guides Prof. Jitendra Mohan and Dr. Meena Sehgal for taking me to the path of understanding the field of Psychology and its application. Their friendly treatment, inspiration, patience and guidance provided me strength and motivation to continue with research work. I am indebted to them for sparing time, more than usual given by them to research scholars, to review the material and provide criticism of the manuscript. They have shown magnanimity in overlooking my shortcomings like lack of understanding of the field, time gaps in pursuing active research work due to personal and official reasons and provided encouragement and support for completing the work. It is due to their wide knowledge in the field of Psychology and its application, I could work on unexplored problem having wide application in selection of teachers, training of teachers, organisational development, enhancing motivation & effectiveness of teachers and help them to cope with stress.

My grateful thanks are also to Dr. M.M. Malhotra, Ex-Principal, TTTI, Chandigarh for giving suggestions during initial stages of conceptualisation of the project.

I am highly thankful to Dr. Uday Pareek, Dr. O.B. Sayeed, Dr. Upinder Dhar and Prof. T.V. Rao for providing useful information and literature.

I am thankful to the Chairman, Department of Psychology, Punjab University for providing me necessary help and facilities for undertaking this work.

I owe a debt of gratitude to the Principal, Technical Teachers' Training Institute, Chandigarh for granting me permission for doing Ph.D programme.

I am thankful to the staff of Curriculum Development Centre, Media Centre and Continuing Education, TTTI, Chandigarh for providing me secretarial support and cooperation.

I specially thank my colleague Dr. Rakesh Kumar Wats for academic support and Mr. Yogendra Kaushal for the secretarial support.

I may also like to thank my wife Kanta Anand and children Amit Anand & Richa Anand for providing me full support during the research work and bearing my indulgence in this research work during the time meant for them.
