ACKNOWLEDGEMENT

Words are inadequate to express my thanks to respected and beloved guide Dr. H.B. Hallad, Dean, Faculty of Education, Chairman and Director, Department of Physical Education, Kuvempu University for his valuable guidance, supervision, suggestion, untiring patience, constructive criticism and constant inspiration at each step in formulation and completion of this study.

I am grateful to Dr. G P. Prabhu Kumar, Principal, who encouraged me to take up the research work and to all the staff of University B.D.T. College of Engineering, Davanagere and Dept. of Studies and Research in physical Education, Kuvempu University for their cooperation and warm appreciation to all those who had been a repeated source of inspiration ever since and directed me with enthusiasm and moral support given to undertake and complete this research work.

I will fail in my duty if I do not place on record my special appreciation and thanks to all the Physical Directors and students of
affiliated Colleges and constituent colleges of Kuvempu University for their enthusiastic cooperation in the present study.

My sincere thanks are due to Dr. Y.S. Lakshmeesha, Mr. Tejaswi Kumar and Mr. Pramod Kumar for their concern and help in typing and completing thesis. My special thanks to my brother, family members, well wishers and friends for their constant concern and encouragement.

Finally, my heartfelt thanks are due to all those who have helped me in bringing this thesis into the present form.
