ACKNOWLEDGEMENT

It is with great pleasure I present this thesis. Along with it, I wish to express my appreciation and grateful thanks to a number of individuals for their co-operation, assistance and guidance at the various stages of this research work.

I have immense pleasure and uncountable heartfelt gratitude to my beloved esteemed research guide Dr. M.M. Pattanashetti, Professor of Education, M.M. College of Education and Visiting Professor, Department of Post-Graduate Studies and Research in Education, B.E.A. College of Education, Davangere, for his constant forbearance, valuable sustained magnanimous guidance, inspiring suggestions, loyal support and the keen interest evinced by him in the successful completion of this research work within time.

I expresses, my sincere deep gratitude to Dr. S.S. Patil, Associate Professor and Dean, Faculty of Education and Chairman of Post-Graduate Studies and Research in Education, Kuvempu University, Shankaraghatta, for having given me this opportunity to carryout my research work.

My sincere thanks to Prof. S.N. Sunanda, Principal, Department of Post - Graduate Studies and Research in Education, B.E.A. College of Education, Davangere, for her timely encouragement and support given to me in conducting this research work.

I express my sincere thanks to Dr. H.V. Vamadevappa, Professor of Education, M.M. College of Education and Visiting Professor, Department of Post-Graduate Studies and Research in Education, Kuvempu University, Shankaraghatta, Shimoga District, for his moral support and emotional encouragement. He is a patient listener and
perceptive critic. He helped me to solve many difficulties that cropped up before finalizing this thesis. He is like a fountain of light to me. His unstinted help and guidance are still in my mind, while I was struggling to get the words on to the page and completion of this research work successfully.

I express my deep sense of gratitude to Dr. D.S. Shivananda, Professor (Rtd.). Bangalore University, Bangalore, whose constant guidance and invaluable suggestions of exquisite order. His praise worthy due concern, generosity and fatherly approach which prompted me to complete the research work successfully through out my study.

I am indebted to many people and would like to acknowledge the help they have extended and express my sincere thanks to Dr. P. Basavakumar, Professor (Rtd.). Dr. H.V. Shivashankara, Professor (Rtd.). Department of Post-Graduate Studies and Research in Education, B.E.A. College of Education, Davangere. Dr. Mary Suvarna, Research Supervisor, Dr. Umadevi M.R. Professor of Education, Dr. C. Geetha, Assistant Professor of Education, Prof. S.G. Shivalingappa for their valuable timely encouragement and support were given to me in conducting this investigation.

I owe a deep sense of grateful thanks to Prof. D.K. Sangam, Professor, J.J.M. Medical College, Davangere, for the help rendered by him in statistical analysis of the data and in providing computer facilities for the analysis.

I extend my sincere thanks to the teaching faculty and office staff of the Department of Post-Graduate Studies and Research in Education, B.E.A. College of Education, Davangere and also Faculty of Department of Education, Kuvempu University, Shankaraghatta, for their kind co-operation while conducting this study.
