ACKNOWLEDGEMENT

First of all I am thankful to Indian Council of Social Science Research (ICSSR) for the student fellowship awarded to pursue this degree. The task of completing this dissertation would have been impossible without the guidance of Professor Jyoti Bawane. I am extremely thankful to her for her dedication, inspiration, motivation, and professional guidance. My efforts would have been in vain without her encouragement and helpful discussions.

I wish to acknowledge my indebtedness to Professor Sonawane, head and professor Department of education and Extension, Savitribai Phule University of Pune, Professor Jal, Director, Indian Institute of Education, all faculty members of Indian Institute of Education for their cooperation and guidance. I am also thankful to Professor Kale, Department of statistics, Savitribai Phule University for guiding me in statistics. I would like to thank the experts who translated and validated both the tools to Marathi language. I would also like to acknowledge the contribution of library staff: Shailaja Sawant for providing all facilities in library.

This is an opportunity to thank all the headmaster of the schools visited for giving permission to collect the data from their school. I also wish to thank all the teachers, parents, and students who have been important part and contributor in this research.

Lastly, I would like to express my heartfelt thanks to my parents, my life partner in true sense Ravi, my only daughter Urjaa and friends Damayanti, Julius and Karuna who have been with me throughout with their wishes and for their cooperation for the completion of this work. I appreciate everyone whom i have thanklessly missed to remember and have contributed towards completion of the work.
