ACKNOWLEDGEMENT

I express my sincere thanks to Dr. N. Pangotra, M.A., M.A., Ph.D., D.Litt., F.R.S. (Bristol, U.K.), Ph.D., Director, Adult and Continuing Education, Panjab University, Chandigarh, for his initiating the author in the matter of making his beginning with this research, and for his brilliant guidance and constant encouragement. The rich experience and the benevolent nature of Dr. Pangotra remained always a beacon of light for me. In spite of his very busy schedule, he was always kind enough to spare his valuable time to make the work what it is.

I extend my thanks to the subjects of this study for their willing co-operation and to the authors of various studies and books from which the author has profusely quoted and drawn academic assistance.

I record my feelings of appreciation to all my friends especially Dr. Pulwinder Singh from Panjab University who continuously inspired me and to the librarians of Panjab University, Panjab University and Jamia University for providing me library facilities.

My heartfelt thanks are due to Dr. S. K. Verma from Jamia University who spared his precious time for going through the document and giving his valuable suggestions.
Shri J. Abrol who has transcribed the manuscript into present typed script, also deserves my thanks.

Last but not least, I must express my deep sense of gratitude to my wife Mrs. Vijay Prem, my children - Vishav Rakesh and Vishav Deepak, who spared me for this cause.

The Investigator
