CONTENTS

CHAPTER-1:  INTRODUCTION ..................................................01-24
  1.1 Back ground Concept of Adolescent ......................... 01
  1.2 Meaning and Definitions of Adolescent ................... 04
  1.3 Growth and Development of Adolescent ..................... 11
  1.4 Basic Needs and Problems of Adolescents ................. 12
  1.5 Changing Social Structure .................................... 15
  1.6 Indian Family in Transition ................................... 19
  1.7 Adolescent in Indian Context ................................. 20
  1.8 Statement of the Research Problem ......................... 22

CHAPTER-2:  REVIEW OF LITERATURE ................................. 25-85
  2.1 Introduction .......................................................... 25
  2.2 Studies related to factors affecting adjustment .......... 28
  2.3 Adolescents adjustment with family, peer and school environment ........................................ 34
  2.4 Adolescence girls Development and Time Use ............ 41
  2.5 Physical growth and nutritional status .................... 49
  2.6 Sexuality and reproductive health (H1V/A1DS) .......... 52
  2.7 Behaviour problem ................................................. 58
  2.8 Family, parental beliefs, and practices ................. 62
  2.9 Education and Schooling ........................................ 69
  2.10 School environment ............................................... 71
  2.11 Adjustment and coping .......................................... 72
  2.12 Policy and Programs ............................................ 73
  2.13 Theories related to structural functionalism of adolescence girls ..................................... 76
  2.14 Conceptual framework .......................................... 80
CHAPTER-3: RESEARCH METHODOLOGY 86-104
3.1 Introduction ................................................................. 86
3.2 Need of the Study .......................................................... 88
3.3 Objectives ................................................................... 89
3.4 Hypothesis ................................................................... 90
3.5 Variables Studies ........................................................... 91
3.6 Operational Definitions .................................................. 92
3.7 Preparation of Field Work .............................................. 94
3.8 Field Experience ............................................................ 95
3.9 Research Design ............................................................ 96

CHAPTER-4: PROFILE OF STUDY AREA AND POPULATION 105-149
4.1 Introduction ................................................................. 105
4.2 District at a Glance ...................................................... 109
4.3 Salient Features of the District ..................................... 110
4.4 Resource Base of the District ....................................... 118
4.5 Infrastructure Facilities ................................................ 126
4.6 Assessment Base of Large & Medium Industries ........ 128
4.7 SWOT Analysis ........................................................... 130
4.8 Profile of the Study Population .................................... 132

CHAPTER-5: PSYCHOSOCIAL PROBLEMS OF ADOLESCENT GIRLS RELATED TO THE FAMILY LIFE 150-174

CHAPTER-6: PSYCHOSOCIAL PROBLEMS OF ADOLESCENT GIRLS RELATED TO THEIR EDUCATIONAL LIFE 175-198

CHAPTER-7: PSYCHOSOCIAL PROBLEMS OF ADOLESCENT GIRLS RELATED TO THEIR EMOTIONAL BEHAVIOR 199-223
CHAPTER-8: PSYCHOSOCIAL PROBLEMS OF ADOLESCENT GIRLS RELATED TO MENARCHE AND MENSTRUAL HEALTH INCLUDING KAP AND HEALTH CARE SEEKING PATTERN......... 224-246

CHAPTER-9: SUMMARY, CONCLUSIONS, AND SUGGESTIONS.................................................. 247-280

BIBLIOGRAPHY ........................................................................................................ 281-293

APPENDICES ..............................................................................................................

QUESTIONNAIRE/ INTERVIEW SCHEDULE....... 294-311
