Acknowledgements

As I complete my journey to the most cherished dream, it gives immense pleasure and sense of satisfaction to record my heartfelt gratitude to all those persons who have made this possible for me. I wish to express my heartfelt gratitude to my teacher and research supervisor Dr. Subhash P. Chavan at the first place for believing in my abilities and providing me an incredible opportunity to pursue my career as a Ph. D. student. I thank him for his excellent guidance, constant encouragement, sincere advice, understanding and unstinted support during all the times of my Ph. D. life. My interactions with him have improved my belief towards research as well as real life. I consider very fortunate for my association with him, which has given a decisive turn and a significant boost in my career.

I owe a very special word of gratitude to Dr. U. R. Kalkote for his time to time discussion, suggestions, help and encouragement. My feeling go beyond the limit of my language in acknowledging Dr. H. B. Borate, who indeed patiently helped me in research as with his expertise. I am thankful to Dr. Ganesh Pandey, (Head, Organic Chemistry Division) and Dr. Sourav Pal, Director, NCL for giving me this opportunity and providing all necessary infrastructure and facilities.

My thanks are due to Dr. Vincent Paul, Dr. R. A. Joshi, Dr. (Mrs.) R. R. Joshi, Dr. C. V. Ramana, Dr. S. Hottha, Dr. N. N. Joshi, Mr. I. Shivakumar, Dr. Shashidhar, Dr. Gajbhiye, Dr. P. K. Tripathi, Dr. Argade, Dr. Gumaste, Dr. Muthukrishnan, Dr. Thulasiram, Dr. Dethe, Dr. Reddy, Dr. Biju, Dr. Singh and all other scientists of NCL. Suggestions offered during assessments and other presentations, by scientists namely Dr. D. D. Dhavale, Dr. Mrs. R. S. Kusurkar and Dr. M. G. Kulkarni from Department of Chemistry, University of Pune are also gratefully acknowledged.

I wish to express a great sense of gratitude to Sawant sir, Gill sir, Karale sir, Bachute sir, Kulkarni sir and Deshmukh Sir for their sincere efforts and patience in guiding me during my graduation and post-graduation studies. I would also like to thank my senior colleagues Dr. Dipal Ranjan Bhowmik and Dr. Y. Lingam for their support and help during my job at Dr. Reddys Laboratories Ltd., Hyderabad.

I would like to extend my thanks to Mrs. Kunte madam and Dr. Sonawane for recording chiral HPLC, Mr. Kalal and Mr. Borikar for recording GCMS, Dr. Rajmohan, Shrikan, Ganesh sir and Mr. Sathe for their timely help with NMR
spectra recording, Dr. Rajesh Gonnade for the X-ray analysis and Mrs. Shantakumari for Mass/HRMS facility. Help from microanalytical and IR facility is also acknowledged. I thank the Mr. Rajgopal, organic chemistry office staff (Mrs. Pooja Kulkarni and Mrs. Catherine), library staff, chemical stores and purchase staff and glass blowing section NCL for their co-operation.

My family is always source of inspiration and great moral support for me in perceiving my education, it is impossible to express my sense of gratitude for my family, Aai and Pappa. Whatever I am and whatever I will be in future is because of their enormous blessings, hard work, commitments to my ambitions, and their selfless sacrifices. It was their single minded pursuit of the cause of my education that gave me the strength and will continue to guide my future. Although this eulogy is insufficient, I preserve an everlasting gratitude for them. Words fall short to thank my brother’s Vijay and Rahul for their support, help and never ending encouragement. I wish to thank Swati, my wife, for her love, affection and support extended to me during last three years and she has brought a great deal of happiness and positive change to my life. I am really grateful to Dr. Rishikesh Bachhav and Mr. Deepak Raut for their help and support during my Ph. D. tenure.

I wish to thank great scientific community whose achievements are constant source of inspiration for me. Finally I thank CSIR, New Delhi, for financial support.
