ACKNOWLEDGEMENT

I would like to express my heartfelt gratitude to Prof. S. Kalita, Ex-Head, Department of Environmental Science, Gauhati University, and Dr. G.C. Sarma, Department of Botany, Gauhati University for their invariable guidance, supervision and encouragement throughout my research work.

I am also grateful to Ministry of Environment and Forests, Govt. of India for financial assistance.

I extend my thanks to the faculties and office staff of Department of Environmental Science, Gauhati University for their valuable suggestions and support.

I am grateful to Prof. C.K. Baruah, Retd. Professor and Head, Department of Botany, Gauhati University, Dr. Nilakshee Devi, Reader, Department of Botany, Gauhati University, Dr. Riju Kakati, Sr. lecture, Pandu College, Smt. Dulomoni Saharia, Sr. lecture, Pandu College, Dr. Snigdha Sarkar, Sr. lecture, Rangia College for their time to time help in my work.

I am thankful to Mr. Bhaswat Das, Regional Coordinator, Regional Resource Centre for North Eastern state (RRCNES) for the kind help in the statistical analysis of the data.

My sincere thanks goes to Regional Meteorological Centre, Borjhar for their kind release of meteorological data of Greater Guwahati of the study period.

I am thankful to the administrative section of Gauhati University for their help and cooperation during the course.

My thanks goes to all my friends for their care, help and support during the work.

I am sincerely thankful to all Karyakartas of Vivekananda Kendra, Kanyakumari, a spiritually oriented service mission, for their motivation during the working phase.

Finally, I articulate my thanks to my father Late Kamalendu Bhattacharjee and mother Smt. Sarbani Bhattacharjee for their blessings and sister Miss. Kathamrita Bhattacharjee for being a steady source of inspiration during this adventurous journey.

I also want to thank those helping hand persons whom I may have missed unintentionally.

Date: Kathakali Bhattacharjee
