ACKNOWLEDGEMENTS

I owe a deep debt of gratitude and profound respects to my Research Supervisor Prof. P.Kamaiah, former Head and Chairman, BOS, Department of Library and Information Science, Sri Krishnadevaraya University, Anantapur for his inspiring guidance, constant encouragement, constructive criticism and helpful suggestions at each and every stage to complete my research fruitfully.

I profusely thank Dr. B.Rama Rao, President, and Siddhartha Academy for his encouragement to undertake this research work. I am also highly grateful to Sri P.L.N.Prasad, Secretary and Correspondent and Sri Surapaneni Rama Krishna, Joint-Secretary, Siddhartha Academy and Convener of AG & SG Siddhartha Degree College, Vuyyuru who were kind enough to permit me to undertake this Ph.D. work. My heartfelt thanks are due to Sri B.Venkata Rayudu, Principal, AG & SG Siddhartha Degree College, Vuyyuru for his co-operation and encouragement in my academic endeavour.

I am thankful to Dr. P.Rajaratnam Chetty, HOD, Dr. B.Pratapa Reddy, Sri D.Ravinder and Sri B.Rama Subbaiah, faculty members of the Department of LIS, SKU for their co-operation in completion of my research work.
It gives me immense pleasure to express my grateful thanks to all the college Librarians and Professionals who responded to my questionnaires for fruitful analysis and drawing quality findings and suggestions.

I express my gratitude to my co-professionals especially Sri M.S.A. Prasad, Sri R. Lakshminarayana and Sri M. Somaiah and others for their timely help and suggestions. My special thanks go to Dr. M. Sudhakara Babu for his guidance in statistical analysis of the data.

I sincerely thank Sri Kanakamedala Phaneendra, HOD, and Sri Sunkara Venumadhav Staff of Computer Science Department to bring this thesis elegantly. My special thanks to Sri C. Sambasiva Rao Retired Lecturer and Sri B. Thirupathi Rao Lecturers in English, P.B. Siddhartha College, Vijayawada, for their help in language correction which in turn enhanced the quality of my thesis. My thanks are also due to Sri T.V.B. Rajeswara Rao A.O. for his constant encouragement and moral support in the completion of the present research work.

I also place on record my profound thanks to Mrs. P. Kamaiah and their children whose constant encouragement and moral support have made me to complete this task. I also thank Sri K. Tirumala Naidu, Library In-charge, Sri L.V. Gundanna, B. Venkatanarayana and other professional colleagues of Sri
Krishnadevaraya University Library, Anantapur for their constant co-operation to complete this thesis work.

I am grateful to my wife Mrs.K.Sailakumari and children Mr.K.Praveen Kumar and K.Kiran Kumar who have patiently put up with odd hours of work and co-operated in completion of this thesis.

I am highly indebted to my mother Smt.K.Nagamanimma, my brother’s Sri K.Venkaiah and K.Bhaskara Rao and my uncle Sri K.Mastan Rao for their cooperation, affection, encouragement and moral support which made this work possible.

Finally, I thank one and all who helped me to complete this research work.

K.KRISHNA MOHAN
