ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude to my beloved research supervisor Prof. A. Varada Rajulu, Chairman, Board of Studies in Polymer Science & Technology, S.K.University, Anantapur for his valuable guidance, unstinted help, and benevolent attitude. His timely suggestions and critical acumen can be seen all through this thesis. Without his constant encouragement, this work would not have been completed successfully. I would be ever grateful to him for his help at every stage in the course of this work. My indebtedness to him cannot be adequately expressed in words.

I am thankful to Late Prof. A. Kameswara Rao, Dr. S. Venkata Naidu, Dr. N. Subba Rami Reddy, Dr. K. Chowdoji Rao, and Dr. K. Mohan Raju for their constant encouragement during the course of my research.

I am thankful to Prof. G. K. Mehatha, Director, Dr. K. Asokan, Scientist, and Dr. D.K. Avasthi, Senior Scientist, Nuclear Science Centre, New Delhi, for providing me with the radiation facility to carry out the radiation studies.

I express my sincere thanks to Dr. T. Narasimha Swamy, Dr. R. Sanjeevi, and Dr. M. D. Naresh, Scientists, CLRI, Chennai, for their help in getting polarizing microgram pictures.

I also express my thanks to Prof. Syed Ghouse Peeran, Department of Chemistry, S.K.University, Anantapur, for his help in recording the IR spectra.

I am thankful to Dr. Siddaramaiah, S.J. College of Engineering, Mysore, for his help during the course of this study.

I also extend my thanks to Dr. R. N. V. Ranga Reddy, who permitted me to utilize the facility of microscopy during this course.

I would like to express my thanks to Dr. V. V. N. Rajendra Prasad, Head, Department of English, Sri Krishnadevaraya University, Anantapur, for his help during the course of this study.
I would like to express my thanks to Dr. A.V. Sesha Sai Nath, NCL, Pune, for his help in recording the IR Spectras and DSC thermograms during the course of this work.

I am also thankful to the Librarians of C.L.R.I., Chennai, I.I.T., Delhi, I.I.Sc., Bangalore, and Anna University, Chennai, who so kindly permitted me to consult books and journals in those libraries.

I wish to express my sincere thanks to Mr. K. Rama Gopal, Research Scholar, Department of Physics, S. K. University, Anantapur, for his help and constant encouragement during the course of this work.

I am pleased to thank my roommate Mr. G.N. Thimma Reddy for his encouragement and support during the course of this study.

I would like to acknowledge my research colleagues Dr. Nazeer, Mr. Samba Siva Reddy, Mr. Raghu, Mr. Azeem, Mr. P.L.N. Reddy, Mr. Sreenivasulu, Mr. John, Mr. Jayasimha, Mr. Babu Rao, Mr. Raju, and Mr. Vijay for their help and co-operation.

I am greatly indebted to CSIR, New Delhi, for providing me with a Senior Research Fellowship, which enabled me to complete my work.

I will be failing in my duty if I do not mention my indebtedness to my loving brother R. Ramana Reddy and my affectionate sister R. Jayalakshmi for their support and co-operation throughout the course of this work.

My sincere thanks are due to my uncle Sri R. Narasimha Reddy and my aunt Smt. R. Eswarma for their encouragement during the course of this work.

I am thankful to the authorities of Sri Krishnadevaraya University, Anantapur, for providing me with the necessary facilities to pursue my research.

Finally, I thank one and all who helped me directly and indirectly in the completion of this work.

R. LAKSHMINARAYANA REDDY
