ACKNOWLEDGEMENTS

The beatitude, bliss and euphoria that accompany the successful completion of any task would be incomplete without the expression of gratitude to the people who made it possible, because success is the epitome of hard work.

I avail this opportunity to express my deep sense of gratitude and sincere thanks to my beloved guide, Dr. Y. L. RAMACHANDRA, Senior Lecturer, Department of P. G. Studies and Research in Biotechnology, Kuvempu University, who always was a tremendous source of inspiration and of invaluable help in channelling my efforts in the right direction.

I record my profound sense of gratitude to our Chairman, Dr. V. Krishna, Department of P. G. Studies and Research in Biotechnology, Kuvempu University, for his valuable support and to Prof. Abdul Rahiman B., Department of P. G. Studies and Research in Biotechnology, Kuvempu University, for his encouragement.

I would like to express my deep sense of indebtedness and gratitude to His Holiness Dr. Shivamurthy Shivacharya Mahaswamiji, Srimutt, Sirigere and His Holiness Shri Shivaprakash Shivacharya Swamiji, Srimutt, Haralakatta, for their kind blessings in the successful completion of this endeavour.

I greatly acknowledge the valuable support extended by Sri. A. Lingappa, Principal, Anubhavamantapa P.U. College, Davangere and Sri. S. Sivamallappa, H.O.D of Biology, and all other staff members of Anubhavamantapa premises, Davangere, for their kind assistance and co-operation.

My thanks are due to Smt. K. Lakshmi Rao A.D.O. and Sri. K. Subba Rao, of CENTRAL BEE RESEARCH AND TRAINING INSTITUTE, PUNE, for their valuable guidance and help especially in the melissopalynological studies.
I extend my sincere thanks to Smt. Dr. S. Padmalatha Rai, Associate Professor, Department of Biotechnology, Kasturaba Medical College, Manipal, for her valuable advise.

I wish to express sincere thanks to Shri. Arunkumar, Lecturer, P.G. Department of Applied Geology, Kuvempu University, for his help in providing me the valuable information for the successful completion of this research work.

I am thankful to the members of staff of District Industrial and Commerce Office, Shimoga, for their timely help.

I am also thankful to the staff members and non-teaching faculty members of the Department of P. G. Studies and Research in Biotechnology, Kuvempu University for their co-operation.

I would also like record my heart felt gratitude to my dear mother, who is really the main source of motivation, with her blessings this endeavour has been completed; my brother, beloved wife and my daughter for their encouragement, sacrifice, inspiration and moral support throughout the course of study.
