A stupendous task such as writing a Ph.D. thesis cannot be achieved by a family head without moral, emotional and participatory support of my family members. My wife Mrs. Yamuna had to reshuffle her day to day timetable to accommodate my Ph.D. work. Similarly she had to absorb the jerk of financial ups and down due to my expenses on books, reference material and travel. Then person is my sister Archavana Chavan who encourages me to do this literary work. Then my Pankaj, Chandrashekhar, Madhav Karale and Manisha Karale are also worth of my sincere thanks for their staunch support.
