Prof. K.B. CHINNAPPA
GUIDE.
Dear Sir,

It is my pleasure to introduce myself as Physical Education Director working in Seshadripuram College, Bangalore -560020

I have been working in the college for the past twenty years. I have also served as member of the selection committee, Bangalore University teams, organising committee of inter university tournaments, state level tournament and have officiated as coach and manager.

Besides, I have represented Bangalore university basketball team, Mysore state team, and was selected as member of the All star player of India. As you all know the Karnataka state basketball teams (men) has failed to even make it to the finals in the national championship since 1965 let alone winning it. Therefore, I felt a strong desire to make an intensive study of the origin and development, reasons for success and the failure and present status of the basketball in Karnataka.

In order to make my study rigorous, I am working on a Doctoral Thesis entitled “ANALYTICAL STUDY OF BASKETBALL IN KARNATAKA”, and I wish to draw on your valuable knowledge of basketball in general and Karnataka basketball in particular.

Your answers, suggestions, comments and views would help me immensely to make an objective study of the topic.

I assure you of keeping your valuable contribution strictly confidential and I shall be grateful to you if you could kindly fill in / respond all the section
sections of the Questionnaire related to you and post it back to me at the earliest. Your kind gesture would be highly appreciated.

Thanking you,

Sportively yours,
